In furtherance of this obligation to provide for Intergovernmental Payments to the Issuer, the City agrees that on or before the 15th day of each calendar month (or the next Business Day if such day is not a Business Day), commencing on _____ 15, 20___, until the later of _____, 20___ or the Payment in Full of the Bonds (as defined in the Indenture), the City shall pay or cause to be paid to the Issuer, by payment directly to the Trustee, in immediately available funds, the proceeds of the Enterprise Zone Infrastructure Fees collected by or on behalf the City in the Gulch Enterprise Zone, net of any reasonable administrative fees not to exceed [$_____] actually paid to the entity collecting such Enterprise Zone Infrastructure Fees.

Section 4.3. Payments Upon Payment in Full of Bonds. If (a) the amounts held by the Trustee in the Interest Accounts or the Principal Accounts in the Sinking Fund established

Section 4.4. Place of Payments. The Intergovernmental Payments shall be paid directly to the Trustee for the account of the Issuer and will be deposited in the Revenue Fund established under the Indenture.

Section 4.5. Obligations of City Hereunder Absolute and Unconditional. The obligations of the City to make the full amount of Intergovernmental Payments and to perform and observe the other agreements on its part contained herein shall be absolute and unconditional. Until the termination of this Agreement in accordance with Section 4.1 hereof, the City (a) will not suspend or discontinue any payments provided for in Section 4.2 hereof except to the extent the same have been prepaid, (b) will perform and observe all of its other agreements contained in this Intergovernmental Agreement and (c) will not terminate this Intergovernmental Agreement for any cause, including, without limiting the generality of the foregoing, failure to complete the construction of the Project, any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, destruction of or damage to the Project, commercial frustration of purpose, any change in the tax or other laws of the United States of America or of the State or any political subdivision of either or any failure of the Issuer to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with this Intergovernmental Agreement or the Indenture.

NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, THE OBLIGATION OF THE CITY TO MAKE INTERGOVERNMENTAL PAYMENTS DUE HEREUNDER SHALL BE A SPECIAL LIMITED OBLIGATION, LIMITED SOLELY TO THE NET PROCEEDS OF THE ENTERPRISE ZONE INFRASTRUCTURE FEES COLLECTED BY OR ON BEHALF THE CITY IN THE GULCH ENTERPRISE ZONE, AS PROVIDED HEREIN. THE CITY HAS NOT PLEDGED ITS FULL FAITH AND CREDIT, NOR ITS TAXING POWER TO THE REPAYMENT OF ITS OBLIGATIONS HEREUNDER. Each party hereto reserves, and shall retain, all rights and remedies it may have for breach of any representation, warranty or covenant or defaults in the performance or payment of any obligation owed hereunder provided such rights and remedies are pursued as independent causes of action in separate proceedings.

Section 4.6. Prior Lien of Bonds. The City and the Issuer will not hereafter issue any other bonds or incur any obligations of any kind or nature payable from or enjoying a lien on the Intergovernmental Payments, the Enterprise Zone Infrastructure Fees or the Trust Estate other than the lien created in the Indenture for the payment of the Bonds.

Section 4.7. Limitation on Liens on Intergovernmental Payments. The City and the Issuer will not create, permit or suffer to exist, and will defend against and take such other actions as are necessary to remove any lien on the Intergovernmental Payments, the Enterprise

Zone Infrastructure Fees or the Trust Estate other than the lien created in the Indenture for the payment of the Bonds, and will defend the right, title and interest of the Trustee in and to the Intergovernmental Payments and the Enterprise Zone Infrastructure Fees against the claims and demands of all other persons whomsoever.

Section 4.8. Limited Liability. The financial liability of the Issuer for failure to perform any of its obligations under this Intergovernmental Agreement shall be limited to the Issuer's interest in the Intergovernmental Payments it receives. The financial liability of the City for failure to perform any of its obligations under this Intergovernmental Agreement shall be limited to the City's Enterprise Zone Infrastructure Fee collections in the Gulch Enterprise Zone. No official, director, member, officer, employee or agent of the Issuer or the City, including the persons executing this Intergovernmental Agreement, shall be liable personally hereunder or for any reason relating to the issuance of the Bonds. No recourse shall be held against any official, director, member, officer, employee or agent, past, present or future, of the Issuer or the City for the payment of the principal of or the interest on the Bonds, or for any claim based therein, or otherwise in respect thereof, or based on or in respect of this Intergovernmental Agreement, any obligation, covenant or agreement contained herein or any amendment hereto, or any successor whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment penalty or otherwise, all such liability being, by the acceptance hereof and as part of the consideration for the issuance of the Bonds, expressly waived and released.

(c) An "Event of Default" shall have occurred under the Indenture.

Section 7.2. Remedies on Default. Whenever any event of default referred to in Section 7.1 hereof shall have happened and be subsisting, the Issuer, or the Trustee, as provided in the Indenture, may take any one or more of the following remedial steps:

No delay or omission to exercise any right or power accruing upon the occurrence of any event of default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer or the Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such

notice or notices as may be herein expressly required. Such rights and remedies as are given to the Issuer hereunder shall also extend to the Trustee and the Bondholders. The Bondholders shall be deemed third party beneficiaries of all covenants and agreements herein contained.

Section 4.1. ***Acquisitions***. The City shall reasonably cooperate with Owner in its efforts to acquire marketable, fee simple title to the Exchange Property subject to the Agreement for Exchange of Real Property after approval by the Mayor and the City Council), and the City and Owner shall each fulfill their respective obligations under the Agreement for Exchange of Real Property.

Section 4.2. ***Easements, Encroachments & Utilities***. The parties agree to reasonably cooperate to effect agreements for easements, encroachments, or licenses with respect to City-owned property or public utilities as may be reasonably requested by Owner in connection with the Project, all in accordance with the City Code and Applicable Laws and subject to any required approvals. The City and Owner will reasonably cooperate to identify any areas of potential encroachments of the Project's improvements upon water or sewer facilities and/or within the City's easement areas for such public facilities, including reasonably cooperating with design and engineering of the Project's improvements as it may impact any of the City's water or sewer facilities.

Any requests for encroachments must provide for adequate access to the underlying infrastructure for ongoing operations, maintenance and repairs and must be designed to avoid increasing the structural load on the existing infrastructure or, if such avoidance is not reasonably achievable, designed to adequately protect the existing infrastructure from structural load increases as determined by the relevant City departments to determine compliance with the City's building codes and other relevant Laws. Any such requested encroachments are subject to the City's review and approval prior to permit issuance. If Owner requests such encroachments, and the City approves such requests, then Owner agrees to grant any such necessary easements and enter into an appropriate agreement for any such approved encroachments. The City will coordinate with Owner to identify limited areas of access for maintenance, operation and repair of the existing infrastructure. Vertical clearances in these areas are established at no greater than 15 feet above proposed ground surface grade level. The City acknowledges that Owner shall have the free right to assign its obligations as liable party and indemnitor pursuant to any such easements and encroachment agreements to one or more Owner's Association(s), purchaser(s) and other successors whereupon the assigning Owner will be released from any further obligations arising pursuant to such assigned obligations. Any such assignee, purchaser or other successor shall then

be deemed the liable party and indemnitor pursuant to any easements and encroachment agreements entered into between the City and Owner.

Section 5.1. ***Owner Covenants and Obligations***.

(a) Other Commitments. Owner and any other Person succeeding to all or a portion ~~of~~ Owner~~'~~'s development interests in the Project (or any Phase thereof) shall comply with Owner's obligations as set forth on **Exhibit D** attached hereto, as applicable pursuant to Section 7.15.

Section 5.2. ***City Covenants and Obligations***.

(a) Processing of Applications. The City shall reasonably cooperate with Owner in the processing of any applications and shall make reasonable efforts to streamline the application review process by providing the Project with "priority application review" status, such that the City's review of applications occur, when practicable, within 21 days, including, without limitation, future special administrative permit applications submitted for the Project.

(b) Major Project Status. The City agrees that the Project will receive "major project status" with the Department of City Planning and other related departments and will ensure that all zoning, permitting, and related processes are expedited as much as reasonably possible, which includes the City reasonably cooperating with Owner so that Owner is afforded the opportunity to meet its construction schedule for the Project.[1] However, these efforts do not and will not guarantee any approvals as it relates to any zoning or permitting or related decisions or outcomes.

(c) Impact Fees. The City may grant impact fee credits to Owner or the Project, subject to City Council approval and Applicable Law, for the cost of "system improvements" within the meaning of the Development Impact Fee Act, O.C.G.A. § 36-71-1, et seq. and the City of Atlanta Development Impact Fee Ordinance. The City may exempt all of or a part of the Project from development impact fees, subject to City Council approval, in accordance with O.C.G.A. §36-71-4(i) and with the Impact Fee Ordinance Sec 19-1016(a) of the City Code, as recently amended. Owner acknowledges that certain full or partial exemptions are subject to replacement funds, as provided for in O.C.G.A. §36-71-4(I)(3) Impact Fee Sec 19-1016(b). The City acknowledges that in accordance with O.C.G.A. §36-71-4(d), development impact fees shall be collected not earlier in the development process than the issuance of a building permit authorizing the construction of a building or structure for which fees are collected. Further, the City confirms that (a) the portions of the Project that consist of parking decks and infrastructure are exempt from impact fees, and (b) if any components of the Project are mixed as a combination of parking decks and infrastructure, for which impact fees will not be assessed, and other uses, for which impact fees will be assessed, the assessed impact fees will be appropriately prorated.

(d) Other Commitments. The City shall comply with the City's obligations set forth on **Exhibit D** attached hereto.

[1] ~~**Note to the Draft: This cooperation requirement necessitates advance and updated notice of the then current Project Schedule.**~~

(e) Recognition Agreement. Upon the request of Owner or any Project Finance Lender from time to time, the City and DDA shall promptly and in good faith negotiate, execute and deliver any requested Project Financing Recognition Agreement that is customary and reasonable for the transaction involving the Project. A requested Project Financing Recognition Agreement that is substantially in the form attached hereto as **Exhibit B** shall meet the definition of customary and reasonable for the purpose of this Section. Any requested Project Financing Recognition Agreement that is not customary and reasonable will be subject to legislative or board approval (if necessary and as the case may be).

Section 5.3. ***Cooperation Covenants***.

(a) General Cooperation. The parties shall reasonably cooperate with each other, to the extent permitted by Applicable Law and subject to any required approvals, in carrying out the transactions contemplated by this Agreement, in fulfilling all of the conditions to be met by the parties in connection with this Agreement, and in obtaining and delivering all documents required hereunder.

(b) Permits, etc. To the extent permitted by Applicable Law and subject to any required approvals, the parties will reasonably cooperate to approve, and reasonably cooperate to execute or join in, any and all reasonably acceptable agreements, documents, applications and any other permits, licenses, or other authorizations in connection with the Project which are consistent with this Development Agreement, Applicable Law, the Approval of Special Administrative Permit No. 17-162 (the "**Approved SAP**") and the "Gulch Sign Overlay District" as in existence on the Effective Date (the "**Sign Overlay District**"), and plans and specifications for the Project, including "priority application review" as set forth in Section 5.2(a) by the City of all applications submitted by Owner to the City in connection with the Project. For purposes of clarification, nothing in this Section 5.3(b) or otherwise contained in this Agreement is intended to nor shall it be construed as a modification or waiver of the City's absolute and unfettered right and obligation to enforce all Applicable Laws.

(c) AFCRA. The City will use commercially reasonable efforts to facilitate communications between the City of Atlanta and Fulton County Recreation Authority and Owner for transactions related to the Project, including real property transactions necessary for the assemblage of the Site.

(d) Expedited Review. The City shall use commercially reasonable efforts to review and either approve or comment on required Project-related documents on an expedited basis. The City further agrees that a dedicated facilitator/ombudsman from the Department of City Planning and, as necessary, from the City~~'~~'s Law Department ~~and~~, the DDA and Invest Atlanta, will be appointed as Owner's single-point liaisons to resolve issues, track pending consents, and coordinate with all relevant departments within the City ~~and~~, the DDA and Invest Atlanta.

(e) Development Team. The City shall establish and maintain a development team to provide advice and consultation to Owner in connection with the development and construction of the Project (together with one or more Owner Representatives designated by Owner, the "**Development Team**"). The Development Team shall consist of the Commissioner of the Department of City Planning, the President of Invest Atlanta, and certain other similar commissioners and staff members of the City and the DDA and/or Invest Atlanta to provide advice to Owner and assist Owner during the development and construction of the Project. The Development Team shall meet at least quarterly unless Owner elects to meet more or less frequently.

(f) Publicity. Owner, DDA (together with Invest Atlanta) and the City shall coordinate efforts to the extent practical with respect to any publicity in connection with the Project, including the timing for and participation in ground breaking, opening and similar ceremonies. Owner will permit the DDA (together with Invest Atlanta) and City to publicize its connection with the Project and the construction thereof through on-site construction fence signage, press releases and participation in such events as ground breaking and opening ceremonies. During construction of the Project the DDA ~~and~~(together with Invest Atlanta) and the City may install signage at the Site with respect to the DDA's and City~~'~~'s participation in such Project at a location and of a size acceptable to Owner and in accordance with all applicable signage ordinances and regulations of the City; provided that such signage does not impair Owner's ability to place other signage at the Project in accordance with Applicable Laws; provided further, such signage shall be installed at locations and times acceptable to Owner.

Section 5.4. ***Confidentiality***.

(a) In no event shall the City or any of its agents, representatives, consultants, directors, officers or employees be liable to Owner for the disclosure of all or a portion of any Confidential Material or other information pursuant to a request under the Open Government Laws.

(b) If the City receives a request for public disclosure of all or any portion of any Confidential Material, the City shall endeavor to notify Owner of the request and the City~~'~~'s intention in responding to the request. If the City makes a determination that the specifically identified information does not in fact constitute a trade secret, it shall notify Owner of its intent to disclose the information within ten days unless prohibited from doing so by an appropriate court order. If however, the City determines that the material constitutes a trade secret, Owner shall bear the cost of any challenge to that determination if the requester takes action against the City.

Article VI
DEVELOPMENT AND CONSTRUCTION

Section 6.1. ***Construction of the Project***.

(a) Construction and Completion. If Owner acquires the Exchange Property pursuant to the Agreement for Exchange of Real Property, then Owner shall use best efforts to Commence Initial Construction on or before the Commencement Date. With respect to each Phase of the Project Owner undertakes, Owner shall develop, construct and complete such Phase of the Project, or cause ~~**the development, construction and completion of**~~ such Phase of the Project to be developed, constructed and completed: (i) in good faith and in a good and workmanlike manner, (ii) in accordance with all Applicable Laws, (iii) in substantial conformance with the Plans, (iv) subject to the Project Budget, and (v) in all material respects in accordance with the Project Construction Schedule, subject to extension for Force Majeure.

(b) Completion Reporting and Deliveries. Upon Completion of an applicable Phase of the Project, Owner will provide or cause to be provided to the DDA a Completion Certificate with respect to each Phase of the Project.

Section 6.2. ***Owner Continuing Disclosure Agreement***. At the time of any EZ Bond refinancing or remarketing which causes the EZ Bonds to no longer be exempt from United States Securities and Exchange Commission Rule 15c2-12, as amended ("**Rule 15c2-12**"), Owner shall provide

the DDA with such information as is reasonably necessary for inclusion in any offering document and/or continuing disclosure filing in connection with such refinancing or remarketing and Owner shall deliver to DDA an Owner Continuing Disclosure Agreement, in a form reasonably acceptable to the DDA or the City and their disclosure counsel that allows the DDA or the City to comply with its obligations under Rule 15c2-12 as in effect at the time of such refinancing or remarketing, under which Owner shall agree to provide such information to the DDA or the City, any dissemination agent appointed by the DDA or the City and/or the EZ Bond Trustee, in a form and substance and at the times reasonably required by such Owner Continuing Disclosure Agreement. Notwithstanding the foregoing, in the event of a disagreement concerning the requirements of Rule 15c2-12 as between the DDA or the City and Owner, the position asserted by DDA or the City shall control.

Section 6.3. ***Approvals Required for the Project***. Owner will obtain or cause to be obtained all Project Approvals. Owner may, however, contest any such Law, the applicability of any Project Approval and/or the denial of a Project Approval in its sole discretion. Owner acknowledges that this Agreement does not affect or constitute any approval required by any other City department or pursuant to any City ordinance, code, regulations or any other governmental approval, nor does any approval by the DDA pursuant to this Agreement constitute approval of the quality, structural soundness or safety of the Site or the Project.

Section 6.4. ***Material Modifications***. With respect to each Material Modification that Owner proposes (if any), Owner shall deliver to the DDA a written notice containing the following information (each such written notice, a "**Material Modification Notice**"): (1) a true, correct and complete description of the proposed Material Modification, clearly identifying all associated changes, omissions and additions as compared to the previously provided Plans, Project Budget, Project Construction Schedule and/or other document pertinent to Owner's obligations under this Agreement; (2) such supporting information as is reasonably necessary to evaluate the necessity and/or desirability of such Material Modification; (3) a description of the negative impact, if any, on the Project; (4) any and all reports then due from Owner pursuant to this Agreement (in order that the DDA shall have the ability to review current Project information); and (5) such other information as the DDA may reasonably require to evaluate the proposed Material Modification identified therein. Upon receipt of a Material Modification Notice and any additional information requested by the DDA, the DDA will review the submission and deliver to Owner written objections to, or written approval of, the proposed Material Modification within ten (10) Business Days after receipt of the Material Modification Notice and all additional information requested by the DDA; provided, however, if (i) there then exists an event of Force Majeure or a Default by Owner of any obligations hereunder, the DDA shall have such amount of time as it requires to consider any such Material Modification and (ii) if consent from the City or any other governmental entity or jurisdiction is required, a response from the DDA shall not be owed until such time as the City and/or other governmental entity or jurisdiction, as applicable, has approved or disapproved such Material Modification. If and to the extent the DDA determines that any Material Modification requires approval by the City or any other governmental entity or jurisdiction or to the extent any Material Modification is an amendment to any portion of the Redevelopment Plan relating to the Project, the DDA shall forward a copy of the Material Modification Notice and copies of any additional information requested by the DDA to the City and/or such other governmental entity or jurisdiction, as applicable, for approval, and the City and/or such other governmental entity or jurisdiction, as applicable, shall have such amount of time as reasonably required to approve or disapprove any such Material Modification or amendment (including related County approval, if any). If the DDA determines, in its reasonable judgment, that any proposed Material Modifications are acceptable, the DDA will notify Owner in writing and the approval of such Material Modifications will be evidenced in a written modification to this Agreement signed by the parties hereto (which modification shall include the revised Plans, Project Budget, Project Construction Schedule and/or other

pertinent document, as applicable), and Owner will perform its obligations under this Agreement as so modified. If the DDA determines, in its reasonable judgment, that any proposed Material Modifications are not acceptable, the DDA will so notify Owner in writing, specifying in reasonable detail in what respects they are not acceptable, then, by written notice to the DDA, Owner will either (a) withdraw the proposed Material Modifications, in which case, construction will proceed on the basis previously provided herein, or (b) revise the proposed Material Modifications in response to such objections, and resubmit such revised Material Modifications to the DDA for review by and comment by DDA within ten (10) Business Days after such notification as described above. Notwithstanding anything herein contained to the contrary, the approval by the DDA of any Material Modifications may not be unreasonably withheld. For the avoidance of doubt, where a Material Modification requires the approval of the City or any other governmental entity or jurisdiction, the DDA's disapproval of such Material Modification shall not be unreasonable where the City or such other governmental entity or jurisdiction disapproves same. Any and all out-of-pocket expenses reasonably incurred by the DDA in processing any Material Modification Notices shall be reimbursed by Owner promptly after receipt of written demand therefor. Owner is permitted to make Project Modifications that are not Material Modifications.

Section 6.5. ***Approvals and Consents of the City and/or DDA***. In each instance where this Agreement requires that Owner obtain the approval or consent of the City or of the DDA, such approval or consent shall be deemed to have been given when Owner has obtained a writing to that effect signed by the Mayor of the City or the Chairman of the DDA (as the case may be), or such other designees of the City or the DDA who are then authorized to act on behalf of the City or the DDA (as the case may be). This Agreement does not eliminate or modify Owner's obligation to adhere to the City's normal administrative process for licenses, permits, land use and other approvals and shall not be construed in such a manner as will exceed the authorizations under the Redevelopment Powers Law, the Atlanta City Code, the Atlanta City Charter or State law.

Notwithstanding anything to the contrary, failure to so notify the DDA shall not be considered an Event of Default hereunder.

Section 7.4. ***Financial and Operating Information***. On or prior to the Effective Date, Owner will provide the DDA with the Due Diligence Materials, to the extent available and applicable.

Section 7.5. ***Records and Accounts***. Section 7.6. ***Construction Standard***. As and when performed, Owner shall undertake the improvements for each Phase of the Project in a good and workmanlike manner, in accordance with and subject to Applicable Law. Owner agrees that it shall keep the Site, or cause the Site to be kept, in a reasonably safe, physical condition, subject to normal wear and tear, as its activities thereon shall permit. In addition, Owner agrees that it shall keep, or cause to be kept, all privately owned but publicly accessible outdoor areas in condition consistent with the Downtown Atlanta Standard.

Section 7.7. ***Compliance with Laws, Contracts, Licenses, and Permits***. Owner will comply in all material respects with (a) all Applicable Laws (with legal non-conforming status and grandfathering being deemed to be compliance for purposes of this clause (a)), (b) this Agreement, the Bond Transaction Documents, and all agreements and instruments by which it or any of its properties may be bound, and all restrictions, covenants, easements and agreements affecting the Project, to the extent they would have a material adverse effect on the ability of the Owner or its Affiliates, successors or assigns, to perform Owner~~'~~'s obligations under this Agreement, and (c) all licenses and permits required by Applicable Laws for the conduct of its business or the ownership, use or operation of the Project (with legal non-conforming status and grandfathering being deemed to be compliance for ~~purpose~~purposes of this clause (c)).

Section 7.8. ***Laborers, Subcontractors and Materialmen***. Owner shall use its ordinary policies and procedures to obtain affidavits and lien waivers from, and to contest or defend against claims from, laborers, subcontractors, materialmen, and other Persons who might or could, to Owner's knowledge, claim statutory or common law Liens from furnishing or having furnished labor or material to the Project or any Phase.

Section 7.9. ***Reserved***

Section 7.10. ***Event Notices***. Owner will promptly notify DDA in writing of (i) the occurrence of any Event of Default of which it has knowledge (after giving effect to any applicable cure periods), (ii) the occurrence of any levy or attachment against its assets or other event which may have a material adverse effect on the Project, and (iii) the receipt by Owner of any written notice of Default or notice of termination with respect to any Bond Transaction Document which may materially adversely affect the Project.

Owner shall in its sole discretion determine if and when it will contest or appeal any assessed value or taxes imposed upon or assessed against the Site, the Project or any Phase (including, but not limited to, ad valorem property taxes), upon the revenues, rents, issues, income and profits of the Project or any Phase, or imposed against, affecting, relating or arising in respect of the occupancy, use or possession thereof.

Section 7.12. ***Insurance***. To the extent of its interest therein, Owner shall keep the Project continuously insured, or cause the Project to be continuously insured in accordance with its ordinary policies and underwriting standards.

and delivered, such supplements and amendments hereto and such further instruments as may reasonably be required for carrying out the intention or facilitating the performance of this Agreement; provided that no party shall be required to execute and deliver any supplement or amendment that impairs its rights or increases its obligations hereunder.

Section 7.14. ***Performance by Owner***. Owner will perform all acts to be performed by it hereunder and will refrain from taking or omitting to take or allowing any other party which it controls to take any action that would violate Owner's representations and warranties hereunder in any material respect, or render the same inaccurate in any material respect as of any subsequent Funding Notice and Requisition dates to the extent any such representations and warranties are restated as of such Funding Notice and Requisition dates, or that in any material way would prevent the consummation of the transactions contemplated hereby in accordance with the terms and conditions hereof.

Section 7.15. ***Transfer of the Project and Interests in Owner***.

(a) From the Effective Date and until attainment of the applicable Development Benchmark(s), with the exception of a Permitted Transfer, Owner will not, without the prior written consent of the DDA, which consent may be withheld, granted or conditioned in the reasonable discretion of the DDA, Transfer any Phase of the Project (or portion thereof) which is necessary to achieve the satisfaction of the applicable Development Benchmark(s). Following ~~Completion~~attainment of the Development Benchmark(s) which relate to a particular Phase of the Project and the delivery of a Completion Certificate, in connection with any Transfer of such Phase of the Project (or any portion thereof) to a third-party that is not an Affiliate of Owner, Owner will provide DDA no less than ~~[~~fifteen (15)~~]~~ days' notice of such Transfer and the related anticipated closing date; provided, however, the DDA shall have no consent right to any such Transfer. Permitted Transfers do not require the prior written consent of DDA, regardless of the status of Completion of any Phase or of the overall Project.

(b) To effectuate a Permitted Transfer, Owner shall provide a notice to the DDA substantially in the form of **Exhibit M** hereto identifying the type of Permitted Transfer. While the DDA has no right to discretionary approval of or consent to a Permitted Transfer, the foregoing notice provides a checklist to allow the DDA to confirm that Owner has complied with the applicable Permitted Transfer requirements and provided supporting information relevant to the type of transfer.

(c) Except as expressly prohibited pursuant to this Section 7.15 and Section 12.5, each sale, conveyance, lease, ground lease, license, easement, mortgage, grant, bargain, encumbrance, issuance, creation, redemption, pledge, assignment, granting of an option with respect to, or other transfer or disposition (directly or indirectly, voluntarily or involuntarily, by operation of law or otherwise, and whether or not for consideration or of record) of direct or indirect interests in the Site (and portions thereof), in the Project (and portions thereof), and in or of Owner (by operation of law and otherwise) from time to time is and are expressly permitted without restriction and without requiring prior notice to or consent by the City or DDA. Section 7.16. ***Permitted Title Exceptions***. Section 7.18. ***Equal Business Opportunity Programs***. Owner will use best efforts to provide Minority and Female Business Enterprises (M/FBEs) the opportunity to participate in each Phase of construction of the Project on the Site. Owner shall comply with the EBO Plan as set forth in **Exhibit ~~G~~C** attached hereto that provides a plan to achieve a goal of 38% participation relating to the design, development, construction and ~~[~~property~~]~~ management of the Project**.** Owner shall also offer, to one or more M/FBEs, the right to acquire not less than 10% (in the aggregate) of the equity interests in Owner, whether held directly or indirectly, that are owned by principals of CIM Group, LLC, a Delaware limited liability company (the entity that controls Owner) ("**Owner Group**") or by funds and other investment vehicles controlled by Owner Group, on terms consistent in all material respects with those offered by Owner Group to institutional investors to passively invest (subject to management by Owner Group) in real estate projects owned by funds or other investor vehicles managed by Owner Group (which investors are not already investors in ~~any such funds). Owner shall provide quarterly~~such funds or other investor vehicles) (the "**M/FBE Ownership Requirement**") provided, however, that the Owner shall diligently undertake the following activities in order to demonstrate that it has used its best efforts to achieve the M/FBE Ownership Requirement: (a) include at least 10% M/FBE investors, in proportion to the total number of investors, as offerees of any equity or other securities with equity participation features; (b) provide a list of the names and number of M/FBE investors to which outreach and/or an offer to purchase such securities was made (subject to applicable confidentiality requirements) to the TAD Project Verification Agent; and (c) document whether such M/FBE investors accepted or rejected the opportunity to so invest; provided, further that offers made to such M/FBEs shall be made at the same time as (or earlier then the time that) the Owner makes offers to other CIM co-investors (the identity of which Owner shall not be required to disclose to the City or DDA Verification Agent), which is anticipated to occur in connection with the commencement of construction on the first substantial portion of the Vertical Development. As and to the extent the Owner complies with the best efforts standards in respect of the M/FBE Ownership Requirement, as set forth above, failure to achieve the M/FBE Ownership Requirement shall not be an Event of Default. Owner shall provide monthly reports to the DDA Project Verification Agent outlining their best efforts and achievements in utilizing M/FBEs. Such reports shall be due on or before the last day of every month and shall be consistent with the applicable portion of the form attached hereto as **~~0~~Exhibit H**. All M/FBEs used by Owner shall be certified by the City~~'~~'s Office of Contract Compliance in order to be included as a participant under the EBO Plan. Notwithstanding anything herein to the contrary, this Section 7.18 shall not apply to tenant improvements and/or fit-out completed by or for tenants of the Project.

Section 7.19. ***Owner Operations and Employees***. All personnel supplied or used by Owner (its successors or assigns), in connection with the Project shall be employees, agents or subcontractors of Owner (its successors or assigns) or the applicable General Contractor(s), not the City nor the DDA for any purpose whatsoever. Owner (its successors and assigns) and/or the applicable General Contractor(s) shall be solely responsible for the compensation of all such personnel, for withholding of income, social security and other payroll taxes and for the coverage of all workers' compensation benefits.

Section 7.20. ***Access to Owner's Non-Construction Records***. From the Effective Date until the EZ Bonds are no longer outstanding, Owner shall permit the DDA or the DDA Verification Agent to examine the books and records of Owner solely with respect to the Project, and, so long as there is then no Default, the DDA shall deliver five (5) Business Days prior written notice of any examination and detailing the specific need for such examination. All such access must be during normal business hours and in a manner that will not unreasonably interfere with Owner's business operations generally. At the option of Owner, the DDA shall be accompanied by a representative of Owner during any access contemplated by this Section. Such books and records shall be preserved for a period of five (5) years in the Metropolitan Atlanta Area, or for such longer period as may be required by Law. Any records made available to the DDA pursuant to this Section 7.20 that constitute Confidential Material shall be subject in all respects to Section 5.4 hereof. Further, any records made available to the DDA pursuant to this Section 7.20 shall be subject in all respects to the Open Governments Laws. This section does not alleviate Owner's burden to maintain documents that are subject to this Agreement and subject to Open Government Laws for a period of time consistent with the state record retention laws.

Section 7.21. ***Access to the Site and Construction Records***. From the Effective Date until the EZ Bonds are no longer outstanding, Owner will permit the DDA and the City and their respective representatives and/or agents, to access the active Phase for tours pursuant to this Section and Section 7.22 hereof, to observe the progress of construction, to examine and make copies of all books, records, plans, drawings, engineering and other reports and tests, and other materials which are or may be kept at the construction site with respect to the construction of such Phase, and to discuss the progress and status of such Phase and the overall Project with representatives of Owner, all in such detail and at such times as the DDA or the City may reasonably request but only for purposes of verifying the status of construction and confirming the accuracy of the submitted expenses for purposes of calculating eligible Bond Funding Notice and Requisitions. All such access must follow prior written notice to Owner, be during normal business hours and in a manner that will not unreasonably interfere with construction activities of the Project or with general business operations of Owner or other Project occupants. The DDA or the City shall be accompanied by a representative of Owner during any access contemplated by this Section. Owner shall make its representative available for such access within seven (7) days' of receipt of notice or Owner shall be deemed to have waived the accompaniment requirement. For avoidance of doubt and for purposes of clarification, it is not the intent of the parties to limit, restrict or impair the regulatory powers of the City and its inspectors to visit the site to perform their duties. Upon written request of the DDA or the City, Owner shall notify the, DDA and the City of the location, date and time of any regularly scheduled construction meetings for a Phase, and, if the DDA has so requested, prompt prior notice of any change in the date, time or location of any such construction meetings. While the DDA and the City do not anticipate that they will attend such meetings upon performance by Owner with the other covenants hereof, upon no less than five (5) Business Days' notice, the DDA and the City shall be permitted to attend all such construction meetings with respect to any Phase that has not achieved Completion. Any records made available to the DDA pursuant to this Section 7.21 that constitute Confidential Material shall be subject in all respects to Section 5.4 hereof. Further, any records made available to the DDA pursuant to this Section 7.21 shall be subject in all respects to the Open Governments Laws.

Section 7.22. ***Tours of Project Site***. From the Effective Date and until Completion of any applicable Phase of the Project, the DDA and the City may request a tour of the applicable portion of the Site and to discuss the progress and status of the applicable Phase of the Project with representatives of Owner, during such tour. Any such tour shall follow at least ~~15~~7 days' prior written request to Owner, be during normal business hours and in a manner that will not unreasonably interfere with construction activities of the Project or with general business operations of Owner or other Project occupants and shall not occur more frequently than twice per calendar year.

Section 7.23. ***Public Purpose Initiatives***.* The following Public Purpose Initiatives are expected to be part of the Project (collectively, the "Public Purpose Initiatives"):

(a) Owner shall cause to be built office space for lease by Invest Atlanta and/or its Affiliates (the "**Invest Office**") at a mutually agreeable location once built within the Project. The Invest Office shall include the following:

(i) The size of the Invest Office would be up to approximately 20,000 rentable square feet;

(ii) The lease term shall be for a minimum of fifteen (15) years or such other mutually agreed upon term.

(iii) Base Rent for the first 20,000 rentable square feet shall be at fifty percent (50%) of market for the fifteen (15) year lease term. Invest Atlanta shall also bear all customary operating expenses and utilities plus its operations and staffing costs.

(iv) Parking at two (2) spots per 1,000 square feet in shared parking environment, at same discount levels as the base rent discount in the applicable year, and based upon square feet eligible for discount in that year.

(v) The lease will be freely assignable by Owner to its successors and assigns, with typical release provisions for the assigning landlord from and after the date of the assignment.

(vi) The leased premises will be delivered in warm, shell condition, with Invest Atlanta responsible for tenant improvements, personal property, communications/wiring/data, and signage;

(vii) The leased premises shall be used only by Invest Atlanta or its Affiliates for office purposes; in the event the leased premises cease to be operated for Invest Atlanta or its Affiliates for office purposes for a period in excess of six (6) months for reasons not involving casualty or Force Majeure then Owner shall have right to recapture the leased premises and to terminate the Invest Atlanta lease; and

(viii) On such other terms and conditions as are substantially consistent with the Owner's standard form lease then being used for other comparably sized tenants leasing in the same building or complex, as applicable, in which the Invest Office will be located, so long as consistent with State law and City ordinances.

*This Section and its obligations are repeated in the TAD Development Agreement but do not impose duplicate obligations or expenses.

Owner and the City intend that the timing to finalize and execute the formal lease agreement containing the terms set forth above (the "**Invest Lease**") is on or about the date on which the first phase of the first Vertical Development within the Project opens to the general public (the "**Invest Lease Negotiation Deadline**"). The Invest Lease will govern and control the Invest Office, whereupon this Subsection (a) shall be of no further force and effect.

(b) Owner and the City have both expressed interest in locating a mini-precinct ("**Mini-Precinct**") at a mutually agreeable location once built within the Project adjacent to a public street.

Owner and the City will enter into a separate formal written agreement ("**Mini-Precinct Agreement**") that will contain the following conditions:

(i) The size of each Mini Precinct would approximate 1,500 rentable square feet;

(ii) The Mini-Precinct will be afforded ten (10) designated surface parking spaces for Atlanta Police Department ("APD") vehicles at no cost to APD which can be in more than one location so long as each space is clearly visible from the Mini-Precinct, and an additional ten (10) dedicated parking spaces in parking decks in the shared parking environment once built in close proximity to the Mini-Precinct as identified by Owner and reasonably agreed to by APD at no cost to APD;

(iii) APD would agree to reasonably cooperate with Owner with regard to future relocation(s) of the Mini-Precinct and of the parking spaces from time to time provided that there is no cost to the City associated with the relocation and the new location for surface parking spaces is adjacent to a public street;

(iv) Total rent for the leased premises will be $1.00 per year; the City (APD) shall only be responsible for the cost of utilities (which shall be separately metered at Owner's cost) and APD operations and staffing costs;

(v) The lease term shall be ten (10) years or such other mutually agreed upon term;

(vi) The Mini-Precinct Agreement will be freely assignable by Owner to its successors and assigns, with typical release provisions for the assigning landlord from and after the date of the assignment;

(vii) The leased premises will be delivered in warm, shell condition, with City responsible for tenant improvements, personal property, security features/enhancements, communications/wiring/data, and signage; the City will have approval rights over plans for the shell layout of the Mini-Precinct;

(viii) The leased premises shall be used only by the City (APD) to operate within the Mini-Precinct; in the event the leased premises cease to be operated as a Mini-Precinct for a period in excess of six (6) months for reasons not involving casualty or Force Majeure then Owner shall have right to terminate the Mini-Precinct Agreement; and

(ix) On such other terms and conditions as are substantially consistent with the Owner's standard form lease then being used for other comparably sized tenants leasing in the same building or complex, as applicable, in which the Mini Precinct will be located, so long as consistent with State law and City ordinances.

Owner and the City intend that the timing to finalize and execute the Mini-Precinct Agreement is on or about the date on which the first phase of the first Vertical Development within the Project opens to the general public (the "**Mini Precinct Negotiation Deadline**"). The City can terminate or suspend negotiations concerning the Mini Precinct at any time in its sole discretion. The Mini-Precinct Agreement, when executed and delivered, will govern and control the Mini Precinct whereupon this Subsection (~~b~~a) shall be of no further force and effect.

(c) Owner and the City have agreed that the Project will host the "Peach Drop" celebration for New Years' Eve (the "**Peach Drop**") at a location once built within the Project. Owner and the City have not finalized all of the terms and conditions regarding the Peach Drop. However, Owner and the City agree to negotiate in good faith all relevant terms and conditions related to the Peach Drop, all of which must be acceptable to each in the reasonable discretion of each. Notwithstanding the foregoing, Owner and the City have finalized the following terms to advance the negotiations:~~:~~

(i) Locating the Peach Drop at the Project will not occur prior to the time when a suitable location is actually built with its surrounding area(s) in a state of sufficient completion so as not to interfere with the City's hosting of, and the public's enjoyment of, the event;

(ii) The location of the Peach Drop will be a green or other open space as selected by Owner from time to time with the consent of the City;

(iii) The City shall have the affirmative obligation to bear all costs of the event including, but not limited to, security, police/fire presence, temporary restrooms, construction, marketing, publicity, repair and restoration of any damage caused to the green or open space (and any improvements therein), and purchase, maintenance, insurance and storage of the peach;

(iv) The agreement term shall be ten (10) years;

(v) Owner shall not charge the City rent for the space to host the event, so long as the City bears all related costs of the event;

(vi) No parking arrangements will be granted by Owner, except that Owner shall agree that a load in/load out and dedicated area will be afforded the talent for the event in reasonable proximity and with reasonable access to the event location and that Owner shall agree that trailer set up will be afforded the event sponsor group comparable to that provided in Peach Drop events hosted in recent years prior to the Effective Date;

(vii) The length of set-up and tear-down times for the Peach Drop will be reasonable and subject to reasonable approval of Owner; any ancillary areas needed for staging areas, media areas or other event support will be reasonable and reasonably approved by Owner;

(viii) Planning and programming for the Peach Drop will be controlled by the City, with input from Owner; ~~and~~

(ix) The agreement will be freely assignable by Owner to its successors and assigns and/or to an Owner's Association, with typical release provisions for the assigning landlord from and after the date of the assignment~~.~~; and

(x) The agreement will be freely assignable by the City to any other governmental or quasi-governmental entity charged with organizing and administering the Peach Drop, with typical release provisions for the ~~assigning tenant~~assignee from and after the date of assignment.

Owner and the City intend that the timing to finalize negotiations and execute such an agreement in appropriate written form (the "**Peach Drop Agreement**") is on or about the date on which an appropriate plaza, green or open space is developed within the Project and opened to the general public (the "**Peach Drop Negotiation Deadline**"). The Peach Drop Agreement, when executed and delivered, will govern and control the Peach Drop, whereupon this Subsection (~~e~~b) shall be of no further force and effect.

(d) Owner will provide security enhancements on private property including but not limited to public safety call boxes and cameras. Owner shall be permitted to connect applicable devices to the City's Video Integration Center, commonly known as the "VIC." Once all initial development of any Phase is complete, this Subsection (~~d~~c) shall be of no further force and effect.

(e) Owner shall pay ~~or cause to be paid~~ an amount equal to $5,000,000 (the "**Special Reserve Amount**") to the City for deposit into a Special Reserve Fund under an Amended and Restated Continuing Covenants Agreement between the City and Wells Fargo Bank, N.A. (the "**Continuing Covenants Agreement**"), to be held by the trustee for the Westside TAD Bonds as additional cash collateral for a time agreed to between Wells Fargo and Owner to support the Westside TAD Bonds, in order for Wells Fargo to release the Gulch TAD Increment from its current lien. The Special Reserve Amount shall be paid in two installments of $2,500,000, with the first installment due on or before the later of ~~September~~**[November]** 15, 2018 or the Reissuance Closing Date (as defined in the Continuing Covenants Agreement), and the second installment due on or prior to September 15, 2019. The Special Reserve Fund shall secure the payment of debt service on the Westside TAD Bonds that are outstanding on the date of execution of the Continuing Covenants Agreement and shall not secure the payment of debt service on additional Westside TAD Bonds issued after such date unless $5,000,000 of the proceeds of such additional Westside TAD Bonds shall be repaid to Owner. ~~As of September 15, 2019, and at all times thereafter, the balance in the Special Reserve Fund shall be equal to $5,000,000 (the "Special Reserve Requirement").~~ Wells Fargo may withdraw funds from the Special Reserve Fund only for the payment of debt service on the Westside TAD Bonds that are outstanding on the date of execution of the Continuing Covenants Agreement, and only if there should be insufficient funds for said purpose in the following funds established under the Westside TAD Bond documents: ~~[Tax Increment~~Westside TAD Special Fund, the Supplemental Reserve Fund, and the ~~Debt Service Reserve Fund, in that order.] If the~~

~~balance of the Special Reserve Fund is less than the Special Reserve Requirement, the Special Reserve Fund shall be replenished as provided in the Continuing Covenants Agreement~~applicable debt service reserve fund in that order. Upon the termination of the Continuing Covenants Agreement and payment in full of all Westside TAD Bonds that are outstanding on the date of execution of the Continuing Covenants Agreement, any unused balance of the Special Reserve Amount originally paid by Owner that remains in the Special Reserve Fund shall be delivered to Owner and shall not be used to redeem Westside TAD Bonds or to pay the principal of Westside TAD Bonds at maturity.

(f) Owner shall install traffic signals and transportation improvements within available right-of-way, commensurate with the square footage of buildings and uses then pending to be or already built, consistent with the recommendations of the Atlanta Regional Commission and the Georgia Regional Transportation Authority, as set forth in the letter dated December 27, 2017, and memorialized as part of the Special Administrative Permit issued by the City's Office of Planning and Development, and as modified by subsequent revisions to the Notice of Decision. Once performed, this Subsection (~~f~~e) shall be of no further force and effect.

(g) Owner shall cause to be constructed, and upon completion donated to the City, a warehouse facility containing approximately 50,000 square feet at the City~~'~~'s Claire Drive property for use by the City. The plans and specification for the warehouse facility are subject to review and approval by the City. The Scope of Work is attached hereto as **Exhibit P**. Owner and the City shall enter into an access agreement which shall permit Owner entry upon the Claire Drive property for purposes of performing its obligations pursuant to this Subsection (~~g~~f) and **Exhibit P**, which access agreement shall include Owner's obligation to obtain and maintain necessary insurance. Upon completion of the warehouse facility and donation to the City, this Subsection (~~g~~f) shall be of no further force and effect.

(h) It is agreed by Owner and the City that a new fire station shall be built within the Site, which fire station shall provide for two levels of 8,000 square feet (total of 16,000 square feet), seven (7) bays (each 75 feet deep x 15 ft wide), and twenty five (25) dedicated parking spaces (the "**Fire Station**"). The improvements for the Fire Station shall comply with NFPA 1 Uniform Fire Code, NFPA 1500 Standard on Fire Department Occupational Safety and Health Program, NFPA 1581 Standard on Fire Department Infection Control Program, and other requirements and standards applicable to fire stations. ~~Owner agrees to provide all furniture, fixtures and equipment for the Fire Station excluding fire and emergency vehicles.~~ All construction and finish work for the Fire Station shall conform to and be consistent with City of Atlanta's standard plans and specifications for fire stations as implemented as of the Effective Date. The fire station will be delivered in warm, lit shell condition. The City will use the Fire Station either as an all-hazards fire and emergency services station to provide fire, EMS, technical rescue, and other emergency responses, or as a public safety station to provide services generally provided at public safety facilities operated in the City. The Fire Station will be staffed by personnel numbers and at times and upon days which are comparable to fire stations which are located within the geographical boundaries of the City.

(i) Owner and City have not agreed upon an exact location for the Fire Station in the Site except that the Fire Station must be adjacent to the Martin Luther King, Jr. ROW or other road as agreed to by CIM and Owner nor have Owner and the City agreed upon all of the terms and conditions regarding the Fire Station and its construction; however, Owner and the City have agreed to the following: (i) the combined hard costs, soft costs and construction management fees (which shall be

commercially reasonable) borne by Owner for the Fire Station shall not exceed $12,000,000.00, (ii) Owner will competitively solicit pricing bids in a commercially reasonable manner for the costs to construct the Fire Station and develop a budget of the actual combined hard costs, soft costs and construction management fees to complete the Fire Station ~~(such developed budget informed by such bids being, the "Fire Station Costs")~~, (iii) Owner and the City shall negotiate in good faith the terms of an asset swap agreement pursuant to which Owner will build the Fire Station and then will convey to the City the Fire Station as a fee interest or as a condominium unit in exchange for the City conveying to Owner the real property and improvements identified as of the Effective Date as Fire Station #1 (the "Fire Station Exchange Agreement"), (iv) when the first one million square feet (excluding parking) of Vertical Development at or above street grade is complete, the City shall present to City Council for approval an ordinance authorizing the Fire Station Exchange Agreement in compliance with O.C.G.A §36-37-6 (the "Fire Station Exchange Ordinance"), and (v) upon final City Council and Mayoral approval of the Fire Station Exchange Ordinance and upon execution and delivery of the Fire Station Exchange Agreement by Owner and the City, Owner shall pursue completion of the Fire Station on the terms of this Agreement as amended as amended and supplemented by the Fire Station Exchange Agreement.

(ii) Upon completion of the Fire Station and closing of the exchange transaction pursuant to the Fire Station Exchange Agreement, this Subsection (~~h~~g) shall be of no further force and effect.

(iii) In the event that the City does not adopt the Fire Station Exchange Ordinance and in the event that Owner and the City do not execute the Fire Station Exchange Agreement, then Owner shall contribute $12,000,000.00 to the City's General Fund so that the City itself can build or cause to be built a Fire Station in the vicinity of the Site (which for avoidance of doubt shall be upon land that is not within the Site but may at the City's election be in the location on which existing Fire Station # 1 currently stands). Upon contribution of such sum by Owner, this Subsection (~~h~~g) shall be of no further force and effect.

(i) Owner will pay the actual costs incurred but ~~no less~~not more than two hundred thousand dollars ($200,000) per month for a DDA Project Verification Agent to provide the services listed in the definition of "DDA Project Verification Agent~~."~~ " herein. No additional fee will be charged for the DDA Verification Agent. For the avoidance of doubt, the DDA Project Verification Agent is the same entity as the TAD Project Verification Agent in the TAD Development Agreement, whose fees and duties are repeated here for convenience with the understanding that such repetition does not impose duplicate obligations, fees or expense.

(j) DDA and the City may require Owner to (i) setup or cause to be setup point of sale (POS) equipment and related software and reporting systems to capture the Enterprise Zone Infrastructure Fees, and (ii) setup or cause to be setup a process for having same automatically transmitted to the City or the EZ Bond Trustee at agreed upon intervals.

(k) Owner shall or shall cause the Project to comply with the Stormwater requirements as set forth on **Exhibit D** attached hereto.

(l) Within the Site there exists a bridge commonly known as the Nelson Street Bridge ("Bridge"), which spans east to west from Ted Turner Drive (f/k/a/ Spring Street) on the

east to the approximate location of the intersection of Nelson Street, Elliot Street, and Chapel Street on the west. The Bridge is situated over and upon a portion of real property now or formerly owned by Norfolk Southern Railway Company and its affiliates (collectively, with its corporate predecessors, the "Railroad"; such real property together with the Bridge being referred to herein as the "Bridge Property").

Owner (or its Affiliates) has acquired from the Railroad, and intends to acquire from the Railroad, the Bridge Property, by combination of (a) an easement granted by the Railroad to that portion of the Bridge located over the railroad right of way retained by the Railroad, and (b) fee title to the remaining portions of the Bridge (the date on which such acquisition by Owner (and its Affiliates) as to all such easement and fee parcels occurs is herein referred to as the "Bridge Acquisition Effective Date"). Following the Bridge Acquisition Effective Date, Owner (and its Affiliates) will be the successor in interest to the Railroad to the Bridge Property as a component of the Site.

In 1905, the Railroad and City entered into that certain Agreement dated February 13, 1905 (the "1905 Agreement"). Pursuant to the 1905 Agreement, the Railroad removed the then-existing iron bridge, constructed the Bridge and agreed to maintain the Bridge in perpetuity. Notwithstanding the maintenance obligations in the 1905 Agreement, the City closed the Bridge in 2009 to public traffic, as it was determined to be in deteriorated condition beyond the point of regular maintenance, and therefore no further maintenance obligations were required pursuant to the 1905 Agreement. Accordingly, the Owner and the City stipulate that the obligations of the parties pursuant to the 1905 Agreement are fully performed.

In 2009, the Railroad and the City entered into that certain Letter Agreement dated September 16, 2009 (the "2009 Agreement"), which addressed, in part, additional duties and obligations of the City and the Railroad, with respect to the Bridge. The obligations included, among others, that the Railroad demolish the Bridge, at its cost, and included the obligation of the City to construct a new structure to replace the Bridge, at the same approximate location, at the City's sole cost and expense.

The Railroad claims continuous ownership and possession of the Bridge Property from the 1840s, a period of over 170 years. A search of title records by Owner's title examiner confirms the Railroad's private ownership. The Georgia Department of Transportation (GDOT) "Bridge Inventory" lists the Bridge Property as being owned by the Railroad and does not identify the Bridge as a public facility.

In anticipation of the Project, Owner has agreed to construct a new structure to replace the Bridge (the "Replacement Bridge"), and thereafter maintain the Replacement Bridge within, upon, over and across the Bridge Property. Owner and the City desire to establish with specificity the public's easement rights to the Replacement Bridge, which rights were not precisely or clearly defined in the 1905 Agreement or the 2009 Agreement.

Effective as of the Bridge Acquisition Effective Date, Owner and the City agree as follows:

1. **1905 Agreement:** Owner (on behalf of itself and its Affiliates, as successor in interest to the Railroad of the 1905 Agreement) and the City hereby terminate the 1905 Agreement. Any title company insuring title to the Site shall exclude the 1905 Agreement as an exception to title.

2. **2009 Agreement:** The 2009 Agreement is amended as follows, and Owner (on behalf of itself and as successor in interest to the Railroad of the 2009 Agreement) agrees the 2009 Agreement, as amended, is an exception to title to affected portions of the Site until its termination as set forth in Section 4 below.

A. Section 1: The new/replacement Mitchell Street Bridge referred to in the 2009 Agreement is open to public vehicular traffic. As more fully set forth in Section 3 below, Owner (on behalf of itself, its Affiliates and as the successor to the Railroad) shall demolish the Bridge, and the City will cooperate and help facilitate the prompt removal of utilities at no cost to the City. Owner, as the owner of the Bridge Property, is the sole owner of any interest, salvage, use or value of the Bridge, as demolished, and is solely responsible to demolish the Bridge, in accordance with applicable City standards, and dispose of the construction materials and debris making up the Bridge in Owner's discretion without any cost or liability to the City.

B. Sections 3: Deleted in its entirety. Instead the following shall govern: On a timetable reasonably established by Owner, Owner shall cause the Bridge to be demolished. Thereafter following such demolition, Owner shall cause the construction of the Replacement Bridge. Such construction shall be performed and completed (i) in a good and workmanlike manner, (ii) in accordance with all Applicable Law, (iii) in conformance with all Project Approvals, and (iv) completed within twenty-four (24) months (subject to extension for Force Majeure) following the date of Completion of the renovations of the buildings known as 99 and 125 Spring Street but in no event later than December 31, 2024, subject to extension for Force Majeure. Owner shall use commercially reasonable efforts to consider City input to design and aesthetics, without obligation to incur any incremental cost as a result thereof. Owner shall keep the City informed as to the commencement and progress of the demolition and reconstruction work of the Replacement Bridge. The costs associated with the Replacement Bridge, including without limitation, the costs of development, construction and engineering for the Replacement Bridge shall not be borne by the City. The Replacement Bridge will not be built to permit vehicular traffic.

C. Sections 2, 4, 5, 7, 8, 9 and 10: Deleted in their entirety and rendered of no further force and effect.

D. Except as provided in this Paragraph 2, the 2009 Agreement remains unamended and in full force and effect.

3. **Indenture Regarding Temporary Construction Easement:** There exists a certain Indenture by and between Southern Railway Company and City of Atlanta, Dated May 22, 1934, recorded at Deed Book 1505, Page 580 Fulton County, Georgia Real Estate records, which granted to the City of Atlanta a temporary construction easement for improvements to the western approach for the construction and reconstruction of the Bridge. Because the City has been relieved of its construction, reconstruction, and maintenance obligations by operation of this Agreement, and any construction needs of the City dating to 1934 are now moot, the Indenture is hereby deemed to be terminated and of no further force and effect. Any title company insuring title to the Site shall exclude such Indenture as an exception to title.

4. **Public Access Easements:** Effective as of the completion of the Replacement Bridge, Owner (or its applicable Affiliate) will grant to the City, for the benefit and enjoyment of the public, a perpetual easement (subject to reasonable limits and closures) for foot traffic and bicycle traffic access rights on, over, across, and through the Replacement Bridge (the "Nelson Bridge Easement"). The Nelson Bridge Easement will consolidate and replace, in their entirety, any and all other prior rights, express or implied, the City or the public may have had in the Bridge and in the Bridge Property, and expressly divest and disclaim any past and present rights of the City or the public in and to the Bridge Property except as set forth in the Nelson Bridge Easement. At the completion of the Replacement Bridge, Owner (or its applicable Affiliate) shall finalize with the City and record the Nelson Bridge Easement to memorialize the access rights on, over, across, and through the Replacement Bridge and Owner's (and its successors) responsibility for ongoing maintenance of the Replacement Bridge. The form of the Nelson Street Easement shall be reasonably acceptable to the City and Owner and shall in all events comply with State law and local ordinances. The Nelson Street Easement will consolidate and supersede any remaining obligations of the City and Owner in and to the Replacement Bridge created or implied by Section 7.23(~~m~~l) of the Development Agreement and the 2009 Agreement and, ~~and~~ upon recordation of the Nelson Street Easement, the 2009 Agreement and this Section 7.23(~~m~~l) shall be deemed terminated and deemed to be of no further force and effect.

5. **Further Assurances:** The City and Owner agree to cooperate with one another to give effect to the terms of this Section 7.23(~~m~~l), including executing and recording any documents either may reasonably request for purposes of clarifying the official real estate records and clearing title consistent with the foregoing including without limitation termination agreements related to the 1905 Agreement, the 2009 Agreement and the Indenture recorded at Deed Book 1505, Page 580 Fulton County, Georgia Real Estate records in a form reasonably acceptable to the parties and Owner's title insurer. Owner agrees to reimburse the City for its actual and reasonable costs incurred in cooperating when requested by Owner pursuant to this item 5.

(m) Owner shall fund an Affordable/Workforce Housing Trust Fund (~~"~~"Trust Fund~~"~~") in an amount equal to twenty eight million dollars ($28,000,000) to be used by the City or its agencies to fund affordable housing on a Citywide basis. Owner shall fund the Trust Fund as follows: $14,000,000 in three equal payments in years 2018, 2019 and 2020 and $14,000,000 in three equal payments in years 2022, 2023 and 2024. The payments will be made on the anniversary of the Effective Date of this Agreement.

(n) Owner shall or shall cause to be installed a commemorative plaque ~~or marker~~ recognizing Carrie Steele Logan and her efforts as the mother of orphans.

(o) Owner shall make a payment equal to Two Million Dollars ($2,000,000) to the Atlanta Committee for Progress in 2020 on the anniversary of the effective date of this Agreement.

~~(p) Owner shall complete the renovations and demolition on 175 Spring Street, 185 Spring Street and 160 Pryor Street by CIM by June 2020~~

Section 7.24. ***Workforce/Affordable Housing Requirement***. Owner shall set aside and reserve certain residential units, throughout the Project as affordable units consistent with the terms set forth herein. To that end, a total of not less than Two Hundred (200) units or twenty percent (20%) in the aggregate, or thirty percent (30%) in the aggregate, if applicable, pursuant to the terms and conditions set forth in **Exhibit F,** of the total residential units built in the Project, whichever is greater, shall be made

available for lease or sale from time to time to Workforce Residents (the "**Workforce/Affordable Housing Units**") consistent with the terms set forth in **Exhibit F** attached hereto. Each such Workforce/Affordable Housing Unit will be made available for a period of time not less than Ninety –Nine (99) years following the date on which such Phase of the Project receives a certificate of occupancy with respect to the initial construction of such Phase of the Project (the "**Workforce/Affordable Housing Compliance Period**"). Such requirements shall be referred to as the "**Workforce/Affordable Housing Requirement**." The Workforce/Affordable Housing Units shall be dispersed throughout residential components of the Project in a manner that does not result in a concentration of Workforce/Affordable Housing Units in one or two buildings or portions of the Project unless there are only one or two buildings with residential units in the Project. The foregoing Workforce/Affordable Housing Requirement will be set forth in a Land Use Restriction Agreement ~~("LURA")~~ and/or the Agreement Regarding Affordable Housing ~~in the form of Exhibit K attached hereto~~(the "**LURA**") in such form as is consistent with the then applicable practices of Invest Atlanta for similar workforce and/or affordable housing transactions, provided that such form does not alter the Workforce/Affordable Housing Requirement set forth in this Agreement, permits transferability and release consistent with Sections 7.15 and 12.5 hereof, and does not increase the obligations of Owner, its successors and assigns. Upon approval of the LURA by Invest Atlanta and review and approval by the Owner consistent with the foregoing, the form of the LURA may be affixed hereto as **Exhibit K** without further amendment to this Agreement. The LURA and/or a memorandum of the Agreement Regarding Affordable Housing shall be recorded in the Fulton County land records in customary fashion upon the submission of the initial Funding Notice and Requisition for each Phase of the Project that contains residential units and shall be recorded only against the applicable parcel on which such units are constructed.

The Workforce/Affordable Housing Requirement is expressly incorporated into this Agreement by this reference as if such requirement were stated herein, in full, and the failure to comply with same shall be an Event of Default under this Agreement. The Workforce/Affordable Housing Requirement shall terminate with respect to a Phase of the Project upon conclusion of the Workforce/Affordable Housing Compliance Period as set forth in the applicable LURA or other instrument. The Workforce/Affordable Housing Requirement shall be binding on any subsequent transferee or owner of the related Phase of the Project during the Workforce/Affordable Housing Compliance Period. The DDA shall serve as the compliance agent for the Workforce/Affordable Housing Requirement. Owner shall not rent a Workforce/Affordable Housing Unit to a household where all of the members of the household are students unless at least one of the following is met: (i) the head of household is a single parent and is not the dependent of another for tax purposes and the child or children of the single parent is not claimed a dependent by anyone other than the single parent; or (ii) the members of the household are married and eligible to file a joint federal tax return.

Regarding for-sale residential developments of 5 units or more, Owner must incorporate a mix of housing types affordable to market and workforce households with a minimum of twenty percent (20%) of the proposed for-sale units allocated to households earning 120% and below of Area Median Income as published periodically by the United States Department of Housing and Urban Development HUD ("**AMI**"). Maximum price limits for affordable for-sale units cannot exceed 3x the one person household 120% AMI limit for a studio/efficiency unit; 3x the average one and two person household 120% AMI limit for one bedroom units; 3x the three person household 120% AMI limit for two bedroom units; 3x the average four and five person household 120% AMI limit for three bedroom units. Owner shall provide Invest Atlanta ~~a~~the prior right ~~of first refusal~~ to purchase a unit, itself or through another government entity or non-profit, prior to marketing the unit as an Affordable/Workforce Housing Unit to the general public, as set forth and subject to the terms of **Exhibit F** attached hereto.

Upon the fifth (5th) anniversary of the Effective Date of this Agreement, if Owner is unable to or fails to build any residential units Owner shall fund a Housing Trust Fund in an amount equal to the one-time per-unit in-lieu fee in the schedule established for the Westside Neighborhoods in the City's then current Inclusionary Zoning Policy (pursuant to Section 16-37.007 of the City's Code of Ordinances) multiplied by 200 ("**Housing Trust Fund**"). If for any reason Section 16-37.007 is no longer in effect, then the fee shall be calculated based on the last year that the rates ~~that~~ were in effect as adjusted by the CPI in each subsequent year. The Housing Trust Fund shall be used by the City and DDA, or their designee, Invest Atlanta, to provide Workforce/Affordable Housing in the areas of the Westside TAD outside of the Gulch Enterprise Zone.

Notwithstanding anything in this Agreement to the contrary, with respect to residential units constructed as part of the 99-125 Spring Street Phase I and II redevelopment ("**Spring Street**") (such portion of the Project that is located on tax parcel IDs 14 007700010123, 14 007700010131, 14 007700050350, 14 007700050038 and generally located at 99-125 Spring Street, Atlanta, Georgia) not less than fifteen percent (15%) of the total residential units to be available for lease or sale from time to time as part of the Spring Street portion of the Project will be made available to Workforce Residents (the "**Spring Street Workforce/Affordable Housing Units**") consistent with the applicable terms set forth in ~~0~~**Exhibit F**.

Each Spring Street Workforce/Affordable Housing Unit will be made available for a period of time equal to twenty (20) years from the date of the issuance of a certificate of occupancy with respect to Spring Street (the "**Spring Street Workforce/Affordable Housing Compliance Period**"). The Spring Street Workforce/Affordable Housing Units and Spring Street Workforce/Affordable Housing Compliance Period requirements shall be referred to collectively herein as the "**Spring Street Workforce/Affordable Housing Requirement**."

The foregoing Spring Street Workforce/Affordable Housing Requirement will be set forth in a LURA, which LURA shall be recorded in customary fashion upon the submission of the initial Funding Notice and Requisition for the Spring Street portion of the Project that contains residential units and shall be recorded only against the applicable parcel on which such units are constructed.

Section 7.25. ***Green Building Certification***. Owner shall cause Phases of the Project to which the following standards can be applied to be designed to achieve US Green Building Council's (USGBC) Leadership in Energy and Environmental Design (LEED) certification, a EarthCraft certification, Energy Star certification or other comparable certification, such comparable certification to be reasonably consented to by the DDA and the City. With respect to the initial construction of site infrastructure improvements such as parking, roads, sidewalks, and other infrastructure, Owner will design such elements to incorporate green initiatives such as LED lighting, trash/recycling bins, and stormwater management. Notwithstanding anything herein to the contrary, this covenant shall not apply to Phases of the Project to which such Green Building standards cannot be applied such as parking, infrastructure and similar Phases.

Section 7.26. ***Westside TAD Neighborhood Area Jobs Policy and Employment Notification and Recruitment Program***. The DDA has found and informed Owner that according to the 2010-2014 American Community Survey, thirty-four percent (34%) of the residents were at or below the federal poverty level in the three zip codes covering the Westside TAD (which includes the Gulch Opportunity Zone) and the neighborhoods to the west largely comprising the Westside TAD Neighborhood Area. In connection with the Project, the DDA desires to address issues of unemployment and underemployment in the Westside TAD Neighborhood Area by providing meaningful employment opportunities and job training to residents located within the Westside TAD Neighborhood Area and Owner is supportive of

such efforts. As such, Owner will pursue, or encourage the General Contractor to pursue, commercially reasonable efforts toward the following goals established for this Project (as further described in "Gulch Area Development Preliminary Jobs Plan" attached as **Schedule 7.26** hereto and by this reference made a part hereof (collectively, the "**Project Jobs ~~Policy~~Plan**") as a part of the overall Westside TAD Neighborhood Area Jobs Policy currently being implemented by Invest Atlanta for the benefit of the City: Until Completion of an applicable Phase of the Project, Owner shall make (or cause to be made) a "Good Faith Effort" (as defined below) to employ residents of the Westside TAD Neighborhood Area to work at least twenty-five percent (25%) of the total hours for all Entry-Level New Construction Positions (as defined below) and ten percent (10%) of the total hours for all New Construction Positions (as defined below). DDA acknowledges and agrees that the employment thresholds set forth in the immediately preceding sentence are goals and the failure to satisfy such thresholds shall not constitute a Default or an Event of Default under this Agreement. In connection therewith, Owner shall make Good Faith Efforts to pursue, or cause the General Contractor and all subcontractors to pursue, the Project Jobs ~~Policy~~Plan or the satisfaction of the items described in clauses (a) through (d) below. "**Good Faith Effort**" may be achieved by making commercially reasonable efforts toward the following:

(a) providing DDA, on or about the commencement of construction of the Project, with a projection of employment positions for the Project;

(b) coordination with Westside Works (a partnership between Construction Education Foundation of Georgia, Integrity Community Development Corporation, New Hope Enterprises, City of Refuge, The Arthur M. Blank Foundation, the DDA and WorkSource Atlanta ("**WSA**") Construction Ready Program) or WSA's First Source Register for identifying potential candidates for New Construction Positions (as defined below) for the Project;

(c) coordination with Westside Works or WSA relating to New Construction Positions for which the General Contractor and subcontractors are hiring for the Project, as well as the job qualifications for those positions, relating to the actual hiring of qualified candidates identified by Westside Works or WSA;

(d) coordination with the General Contractor and subcontractors for the facilitation of introductions of Pre-Qualified Candidates (as defined below) identified by WSA on its First Source Register or the Construction Ready Program maintained by Westside Works, including attending Westside Works "Lunch and Learn" sessions and "Hiring Fairs" as needed, with a minimum of one of each event, and endeavoring to provide the DDA with post-interview and evaluation information consistent with the form attached hereto as **Exhibit H**, within fifteen (15) Business Days of DDA's request for same. For purposes of this ~~**subparagraph**~~Subparagraph, "**Pre-Qualified Candidates**" shall mean candidates residing in the Westside TAD Neighborhood Area who, to the satisfaction of WSA or Westside Works, have completed an aptitude and career interest assessment, background checks and substance abuse screenings; and

(e) Coordinate with Westside Works or WSA regarding training opportunities for entry level positions or trades for residents in the Westside TAD Neighborhoods.

For purposes of this Paragraph, "**New Construction Positions**" means openings for employment with General Contractor or one of its subcontractors, at any time after commencement of construction of a Phase of the Project, for positions that the General Contractor or such subcontractor (as the case may be) determines are necessitated solely by the construction of such Phase of the Project. Also, for purposes of this Paragraph, "**Entry Level New Construction Positions**" means New Construction Positions that the General Contractor or applicable subcontractor (as the case may be) determines should

be filled by individuals without relevant construction experience. From the Effective Date of this agreement until the Completion of such Phase of the Project, Owner shall submit reports detailing their compliance with this section on a monthly basis to Invest Atlanta. Reports shall be due on or before the 15th of every month and shall be consistent with the applicable portion of the form attached hereto as **Exhibit H**. For the period beginning on the Completion Date of such Phase of the Project and ending on the expiration of the term, Owner shall deliver to the DDA a report in the form of **Exhibit H** attached hereto and incorporated herein by this reference not less frequently than annually, from and after the date hereof (the "**Post-Completion Annual Report**"). Each year the Post-Completion Annual report shall be delivered no later than December 31 of such year.

Section 7.27. ***SAVE Affidavit***. The DDA is required by the SAVE (Systematic Alien Verification for Entitlements) Program to verify the status of anyone who applies for a "public benefit" from DDA. Public benefits are defined by state statute, O.C.G.A. §50 36 1, by federal statute, 8 U.S.C. §1611 and 8 U.S.C. §1621, and by the Office of the Attorney General of Georgia. Grants or contracts with the DDA are considered public benefits. Any person obtaining a public benefit must show a secure and verifiable document, and complete the SAVE Affidavit attached hereto as ~~0~~**Exhibit I**. Acceptable documents have been identified by the Office of the Attorney General and may be found at: http://law.ga.gov.

Section 7.28. ***Public Funding***. Other than the funding set forth in this Agreement, the Bond Transaction Documents, the TAD Development Agreement and the other TAD Bond Documents, Owner shall not seek or solicit or accept any proposal of, or enter into any plan or agreement, with any other county, local government, development authority or quasi-governmental authority of the State of Georgia, other than Invest Atlanta regarding any economic development incentives relating to the financing of the Project or the redevelopment thereof unless the recipient of the incentive(s) benefit is a Major Economic Development Opportunity. If Owner desires an economic development incentive that is offered by Invest Atlanta other than those set forth in this Agreement, Owner shall submit an application therefor to Invest Atlanta if such incentive is available. If the desired economic development incentive is not offered by Invest Atlanta, or if the desired economic development incentive is offered by Invest Atlanta but Invest Atlanta denies the request, Owner shall be free to seek such economic development incentive from another entity as long as such incentive does not result in the reduction of ad valorem real property taxes on the Project.

Section 9.1. ***Draws***. The DDA has committed to or otherwise will issue Series EZ Bonds under the Indenture to or upon the order of Owner (evidencing Draws, and the associated Cost Advances submitted by Owner), as contemplated hereunder and in the EZ Bond Documents, as and solely to the extent the provisions herein are satisfied in full (as determined by DDA acting reasonably). The Funding Notice and Requisition, which is the subject of the applicable request for issuance of a Series EZ Bond (evidencing the associated Cost Advances), shall be submitted for review by the DDA Project Verification Agent and approved by DDA. As and to the extent approved by DDA in the manner set forth above, any such approved Funding Notice and Requisition shall be submitted to the EZ Bond Trustee, which submittal shall constitute the irrevocable direction and authorization for the issuance of the associated Series EZ Bond. DDA and the DDA Project Verification Agent shall complete the review and approval of each Funding Notice and Requisition within thirty (30) business days of receipt. Subject in all cases to meeting the applicable Development Benchmarks, Owner shall only make a request for a Draw no more often than twice annually, and in such amounts (each a "**Draw**") so as to result in the funding of Reimbursable Project Costs on a reimbursement basis only, in accordance with the following procedures, and subject to (i) the Maximum Authorized Amount and (ii) satisfaction of the following conditions precedent:

(a) In connection with the reimbursement of Reimbursable Project Costs (which reimbursements shall operate, when approved by DDA, as the Purchase Price (as defined in the Master Indenture) for the associated Series EZ Bonds), Owner shall submit to the DDA a Funding Notice and Requisition for Reimbursable Project Costs incurred to the date of such Funding Notice and Requisition, which Funding Notice and Requisition shall be in substantially in the form of ~~0~~**Exhibit F** attached hereto, which Funding Notice and Requisition must include supporting documents and other submittals which properly evidence (to the reasonable

satisfaction of DDA) the actual payment of that Reimbursable Project Costs for which the Funding Notice and Requisition is submitted;

(b) The DDA Project Verification Agent shall review the Funding Notice and Requisition to verify that the costs included in the Funding Notice and Requisition qualify as Reimbursable Project Costs (in accordance with the definition of such term). If the DDA Project Verification Agent determines that any of the costs included in the applicable Funding Notice and Requisition do not qualify as Reimbursable Project Costs (in accordance with the definition of such term), Owner and the DDA Project Verification Agent shall meet in good faith to try and resolve the discrepancy or objection asserted by the DDA Project Verification Agent. A statement of the discrepancy or objection asserted by the DDA Project Verification Agent, any and all supporting material presented or considered as a part of this resolution process, and the outcome or decisions made as part of this process (which shall not be binding upon DDA) shall be documented and presented to DDA and considered as a part of its review and approval rights in respect of Funding Notice and Requisitions. If the DDA Project Verification Agent and Owner cannot reach an agreement, Owner may appeal that determination to a panel that consists of the Chief Financial Officer for DDA/Invest Atlanta, the Chief Financial Officer of the City and the Mayor's Chief ~~of Staff~~Operating Officer of the City or his/her designee.

(c) The DDA Project Verification Agent shall review all Funding Notice and Requisitions submitted by or on behalf of Owner and the DDA's subsequent approval of the Funding Notice and Requisition shall be a condition precedent to the issuance, authentication and delivery of a Series EZ Bond evidencing the reimbursement of such Reimbursable Project Costs and the payment of the Purchase Price (i.e., the amount of the approved Reimbursable Project Costs) for such Series EZ Bond (which will initially be issued as compound interest bonds are provided in the Indenture); provided, further, that the approval of the Funding Notice and Requisition by DDA as provided above and the presentation of such approved Funding Notice and Requisition by DDA to the EZ Bond Trustee shall serve as the irrevocable instruction and direction to the EZ Bond Trustee to authenticate and deliver a corresponding amount of Series EZ Bond(s). Within ten (10) days after the receipt of any Funding Notice and Requisition, the EZ Bond Trustee shall cause the corresponding Series EZ Bond to be issued and delivered to or upon the order of Owner, as further evidenced in the form of a notation of the corresponding Draw upon the ledger or annex affixed to the Master Draw-Down EZ Bond in accordance with the provisions of the Master Indenture. For purposes of clarification and to avoid doubt, the Advance (of Reimbursable Project Costs) submitted by Owner shall also constitute the Purchase Price for the corresponding Series EZ Bond under the Indenture; provided, however, that neither Owner, nor any party succeeding to the rights in, to and under the applicable Series EZ Bond shall have the right to submit a Funding Notice and Requisition to draw on the Master Draw-Down EZ Bonds or to receive payments of principal of, premium (if any) or interest on such Series EZ Bond unless and until the applicable Development Benchmark(s) have been fully satisfied (as reasonably determined by DDA).

Section 9.2. ***RESERVED***.

Section 9.3. ***~~RESERVED~~SUPPLEMENTAL AWARD COMMITMENT***. In addition to the funding from the Series 2018 EZ Bonds and the 2018 Gulch TAD Bonds, Owner shall be eligible for Supplemental Award Payments from available Gulch Area TAD Increment in a total amount not to exceed Six Hundred Twenty Five Million Dollars ($625,000,000) (as such amount may be adjusted), all as provided in the TAD Development Agreement, which provisions are incorporated herein by this reference as if set forth in their entirety herein.

Section 9.4. ***Project Budget***.

(a) Prior to seeking to draw down the Series 2018 EZ Bonds with respect to Reimbursable Project Costs, Owner shall ensure that all such Reimbursable Project Costs included in the Funding Notice and Requisition have been fully paid when due by Owner, or the applicable Vertical Developer or other Person incurring such Reimbursable Project Costs.

(b) Owner or the applicable Vertical Developer or other Person succeeding to all or a portion of Owner~~'~~'s development interests in the Project (or any Phase thereof) shall deliver to the DDA the Project Budget with respect to ~~the~~ each Phase of the Project prior to the commencement of construction of such Phase. Section 9.6. ***Limited Liability***. To the extent permitted by State law, no director, officer, employee or agent of the City or the DDA, and no officer, employee or agent of the City or the DDA, will be personally responsible for any liability arising under or growing out of the Agreement.

Section 9.7. ***Covenants as to Tax Exemption***. Owner represents that it reasonably expects that to the extent Owner receives proceeds from EZ Bonds issued on a tax exempt basis (a) it will proceed with the construction of the Project with due diligence and (b) it will expend all of the EZ Bond proceeds granted to it as contemplated in this Agreement within 3 years of the date of issuance of the applicable EZ Bonds, and hereby covenants and agrees that it shall comply with any and all tax covenants and requirements imposed upon it or otherwise agreed to in the applicable Bond Transaction Documents.

To the extent within its control, the City and the DDA will take, or cause to be taken, such reasonable acts as from time to time may be required of it under Applicable Law in order that the interest on EZ Bonds continues to be excludable from gross income for purposes of federal and State income taxation, and refrain from taking any action which would adversely affect the exclusion from gross income of interest on the EZ Bonds from federal and State income taxation.

Section 9.8. ***City and DDA Expenses and Consent***. Owner covenants and agrees to pay all post-closing expenses of any counsel or third party retained by the DDA or the City to review any documents or other items submitted by Owner from time to time for review and/or approval by the DDA and the City in accordance with the terms of this Agreement from and after the Effective Date that the DDA or the City determines, in its reasonable discretion, requires the use of outside legal counsel or third parties as opposed to the in-house legal counsel or staff of the DDA or the City.

Article X
INDEMNIFICATION

Section 10.1. ***Indemnification***. Owner shall and does agree to protect, defend, indemnify and save the City, the DDA and their respective public officials, directors, agents, employees, officers and legal representatives (collectively, the "**Indemnified Persons**") harmless for, from and against all Loss imposed upon or asserted against any Indemnified Person by reason of any injury, death, damage or loss to persons (including workmen) or property sustained in connection with or incidental to the Project, or by reason of any material inaccuracy in or material breach of any representation, warranty or agreement of Owner contained in this Agreement or resulting from any material breach or material Event of Default by Owner of any obligation or covenant of Owner under this Agreement or under any *Bond Transaction*

Document; provided, however, that Owner shall have no obligation to indemnify or hold any Indemnified Person harmless for, from and against any Loss where such Loss results directly from the wrongful or grossly negligent act or willful misconduct of such Indemnified Person or where such Loss results from a tour of the Project Site pursuant to ~~**Sections**~~Section 7.21 or Section 7.22 hereof, which tours the Indemnified Persons undertake at their own risk. Owner~~'~~'s obligation to indemnify any Indemnified Person from and against any Loss where such Loss results directly from the negligent act of such Indemnified Person shall only be to the extent that such indemnification is permitted under Applicable Law.

Section 10.2. ***Notice of Claim***. If an Indemnified Person receives written notice of any claim or circumstance which could give rise to indemnified Losses, the receiving party shall promptly give written notice to Owner, and shall use best efforts to deliver such written notice within ten (10) Business Days. The notice must include a copy of such written notice of claim, or, if the Indemnified Person did not receive a written notice of claim, a description of the indemnification event in reasonable detail and the basis on which indemnification may be due. Such notice will not stop or prevent an Indemnified Person from later asserting a different basis for indemnification. If an Indemnified Person does not provide this notice within such ten (10) Business Day period, it does not waive any right to indemnification except to the extent that Owner is prejudiced, suffers loss, or incurs additional expense solely because of the delay.

Section 10.3. ***Defense***. Owner, at Owner's own expense, shall defend each such action, suit, or proceeding or cause the same to be resisted and defended by counsel designated by Owner and reasonably approved by the Indemnified Person. If any such action, suit or proceedings should result in final judgment against the Indemnified Person, Owner shall promptly satisfy and discharge such judgment or cause such judgment to be promptly satisfied and discharged. Within ten (10) Business Days after receiving written notice of the indemnification request, Owner shall acknowledge in writing delivered to the Indemnified Person (with a copy to the DDA) that Owner is defending the claim as required hereunder.

Section 10.4. ***Separate Counsel***. Notwithstanding Owner's obligation to defend a claim, the Indemnified Person may retain separate counsel to participate in (but not control or impair) the defense and to participate in (but not control or impair) any settlement negotiations, provided that for so long as Owner has complied with all of Owner's obligations with respect to such claim, the cost of such separate counsel shall be at the sole cost and expense of such Indemnified Person (and if Owner has not complied with all of Owner's obligations with respect to such claim, Owner shall be obligated to pay the reasonable cost and expense actually incurred of or allocable to such separate counsel). Owner may settle the claim without the consent or agreement of the Indemnified Person, unless the settlement (i) would result in injunctive relief or other equitable remedies or otherwise require the Indemnified Person to comply with restrictions or limitations that adversely affect or materially impair the reputation and standing of the Indemnified Person, (ii) would require the Indemnified Person to pay amounts that Owner or its insurer does not fund in full, or (iii) would not result in the Indemnified Person's full and complete release from all liability to the plaintiffs or claimants who are parties to or otherwise bound by the settlement.

Section 10.5. ***Survival***. The provisions of this Article X will survive any expiration or earlier termination of this Agreement and any closing, settlement or other similar event which occurs under this Agreement until such time as Owner has satisfied its obligations with respect to the Workforce/Affordable Housing Requirement; provided, however, the provisions of this Article X will be assumed by any transferee pursuant to a Permitted Transfer, or any Transfer approved by the DDA in accordance with the provisions hereof, as and to the extent of the Phase of the Project that is subject to

such Permitted Transfer or Transfer, in the event all or a portion of this Agreement is assigned in connection with such Permitted Transfer or Transfer of a Phase of the Project.

Article XI
DEFAULT

Section 11.1. ***Default by Owner***. The term "**Event of Default**", wherever used in this Agreement, shall mean any one or more of the following events, without regard to any grace period or notice and cure period provided or referenced below with respect to any such events, and the term "**Default**", wherever used in this Agreement, shall mean any one or more of the following events, after expiration of any applicable grace period or notice and cure period provided or referenced below with respect to any such events:

(a) Any representation or warranty made by Owner in this Agreement, or subsequently made by an officer or other authorized representative of Owner in any written statement or document furnished to the City or the DDA and related to the transactions contemplated by this Agreement is false, inaccurate or misleading in any material respect; or

(b) Any report, certificate or other document or instrument furnished to the City or the DDA by Owner or an agent of Owner in relation to the transactions contemplated by this Agreement is false, inaccurate or misleading in any material respect, and Owner knows such document is false, inaccurate or misleading and fails to promptly report and correct such discrepancy to the City or the DDA; or

(c) An Act of Bankruptcy of Owner; or

(d) Failure by Owner to observe and perform any other material covenant, condition or agreement on its part under Section 7.7 of this Agreement, for a period of ninety (90) days after written notice, specifying such failure and requesting that it be remedied, shall be given to Owner by the DDA, unless the DDA shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice cannot be corrected within the applicable period, Owner will be afforded such additional time as shall be reasonably necessary to correct such failure, provided corrective action is instituted by Owner within the applicable period and diligently pursued until the default is corrected; or

(e) Except for specific defaults set forth above in this Section 11.1, if Owner shall continue to be in default under any of the other terms, covenants or conditions of this Agreement for thirty (30) days after written notice from DDA in the case of any default which can be cured by the payment of a sum of money or for ninety (90) days after written notice from the DDA in the case of any other default, provided that if such other default cannot reasonably be cured within such ninety (90) day period and Owner shall have commenced to cure such default within such ninety (90) day period and thereafter diligently and expeditiously proceeds to cure the same, such ninety (90) day period shall be extended for so long as it shall require Owner in the exercise of due diligence to cure such default, it being agreed that no such extension shall be for a period in excess of one hundred eighty (180) days.

(f) Owner's or Owner's members, officer or managers failure to perform under or the breach or default by Owner or Owner's member, officers or manager of any other agreement to which they are a party with the DDA, the Urban Residential Finance Authority of the City of Atlanta, Georgia, ("**URFA**"), The Atlanta Development Authority (dba "**Invest Atlanta**, Atlanta Beltline, Inc. or the City.

Section 11.2. ***The DDA's Remedies***. If a Default occurs and is continuing, the DDA will be entitled to exercise any and all rights and remedies available to DDA under Applicable Law, including, by way of illustration and not of limitation, the following:

(a) to terminate any rights of Owner arising under this Agreement and, without limiting the foregoing, to disallow any further Funding Notice and Requisitions or Advances with respect to the Series 2018 EZ Bonds or the issuance of any additional bonds; and

(b) to seek any remedy at Law or in equity that may be available as a consequence of Owner's Default, including, but not limited to, damages or injunctive relief.

Section 11.3. ***Remedies Cumulative***. Except as otherwise specifically provided, all remedies of the parties provided for herein are cumulative and will be in addition to any and all other rights and remedies provided for or available hereunder, at Law or in equity. Without limiting the foregoing, each party hereto shall have the right from time to time to take action to recover any sum or sums which are owed to such party hereunder as the same become due, without regard to whether or not the balance of the obligations hereunder shall be due, and without prejudice to the right of such party thereafter to exercise other remedies on account of any such Default.

Section 11.4. ***Non-Waiver***. The failure of the DDA, the City or Owner to insist upon strict performance of any term of this Agreement shall not be deemed to be a waiver of any term of this Agreement. No delay or omission by the DDA, the City or Owner to exercise any right, power or remedy accruing under this Agreement shall be construed to be a waiver of any Default or acquiescence therein. A waiver in one or more instances to exercise any right, power or remedy accruing hereunder shall apply only to the particular instance or instances, and at the particular time or times only, and no such waiver shall be deemed a continuing waiver, but every term, covenant, provision or condition establishing such right, power or remedy shall survive and continue to remain in full force and effect. Regardless of consideration, and without the necessity for any notice to or consent by Owner, the DDA or the City may release any person at any time liable for any obligations hereunder and may modify the terms of this Agreement as to any other party, without in any manner impairing or affecting the liability of Owner under this Agreement.

Section 11.5. ***Agreement to Pay Attorneys' Fees and Expenses***. In the event of litigation regarding this Agreement, if a court of competent jurisdiction issues a final, non-appealable order (or an order which is not appealed) in favor of a party, then the non-prevailing party will reimburse the prevailing party for its reasonable costs and expenses (including, without limitation, reasonable legal fees) incurred in connection with such litigation.

Section 11.6. ***Default by the DDA or City***. The following will each constitute a default by the City or DDA, as applicable: (a) Any material breach by it of any representation made in this Agreement or any material failure by it to observe and perform any covenant, condition or agreement on its part to be observed or performed hereunder, for a period of thirty (30) days after written notice specifying such breach or failure and requesting that it be remedied, given to it by Owner; provided that in the event such breach or failure can be corrected but cannot be corrected within said thirty (30) day period, the same will not constitute a default hereunder if corrective action is instituted by the defaulting party or on behalf of the defaulting party within said thirty (30) day period and is being diligently pursued, it being agreed that no such extension shall be for a period in excess of ninety (90) days, and (b) any default by the City pursuant to the Agreement for Exchange of Real Property.

Section 11.7. ***Remedies Against the DDA or City***. Upon the occurrence and continuance of a default by the City or the DDA, as the case may be, hereunder or under the Agreement for Exchange of

Real Property, Owner may seek specific performance of this Agreement, pursue its remedies available pursuant to the Agreement for Exchange of Real Property, and/or pursue any other remedies available at Law or in equity.

Section 11.8. ***Lender Protection Provisions***. If the City or the DDA shall elect to terminate this Agreement by reason of any Event of Default of Owner, the termination shall not become effective if, within the sixty (60) day period after the date of such election to terminate, the Project Finance Lender shall (i) notify the City and the DDA of the Project Finance Lender's desire to cure the Event of Default; and (ii) comply, or in good faith with reasonable diligence and continuity commence to comply, with all non-monetary requirements of this Agreement that are reasonably susceptible of being complied with by the Project Finance Lender and prosecute such cure to its completion. If the Project Finance Lender is unable to effect cure within such sixty (60) day period because it has not been able to obtain possession of the Site from Owner, the termination shall not be effective if the Project Finance Lender has initiated and for so long as the Project Finance Lender is diligently pursuing foreclosure or similar proceeding, and, once the Project Finance Lender is able to commence such cure, to diligently and continuously thereafter do so.

Article XII
MISCELLANEOUS

Section 12.1. ***Term of Agreement***. This Agreement will commence on the Effective Date and will expire with respect to each Phase at the end of the calendar year during which such Phase of the Project has reached Completion in accordance herewith; except that as to the following sections only, this Agreement shall remain in effect until the termination or expiration date (if any) set forth in the applicable Sections of this Agreement:

(a) Section 7.24: Workforce/Affordable Housing Requirement.

(b) Article X. Indemnification.

(c) Section 7.23: Public Purpose Initiatives.

Notwithstanding anything herein to the contrary, all provisions of this Agreement shall terminate and be of no further force and effect if (i) the DDA shall fail to issue the Series 2018 EZ Bonds in an initial draw amount of $100,000 in accordance with the terms hereof within 90 days after the Effective Date, or a final non-appealable order from a court of competent jurisdiction affirming the judgement of validation as the result of an intervention at the bond validation hearing, (ii) if Completion of an initial not less than 500,000 square feet of the Project (not including parking) does not occur and is no longer planned to occur by Owner, then the Owner shall surrender all Outstanding Series 2018 EZ Bonds for cancellation at any time, or (iv) Owner no longer owns any portion of the outstanding Series 2018 EZ Bonds. Furthermore, Owner shall have the option to terminate this Agreement if the DDA shall fail to honor a Funding Notice and Requisition submitted in accordance with the terms hereof.

If the City shall elect to terminate this Agreement by reason of any ~~Event of~~ Default of Owner, the termination shall not become effective if, within the sixty (60) day period after the date of such election to terminate, the Project Finance Lender shall (i) notify the City and the DDA of the Project Finance Lender's desire to cure the ~~Event of~~ Default; and (ii) comply, or in good faith with reasonable diligence and continuity commence to comply, with all non-monetary requirements of this Agreement that are reasonably susceptible of being complied with by the Project Finance Lender and prosecute such cure to its completion. If the Project Finance Lender is unable to effect cure within such sixty (60) day period because it has not been able to obtain possession of the Site from Owner, the termination shall not

be effective if the Project Finance Lender has initiated and for so long as the Project Finance Lender is diligently pursuing foreclosure or similar proceeding, and, once the Project Finance Lender is able to commence such cure, to diligently and continuously thereafter do so.

Section 12.2. ***Notices***. Each party may change its address by written notice in accordance with this Section (effective five (5) days after the delivery of written notice thereof). Any communication addressed and mailed in accordance with this Section will be deemed to be given when received, unless rejected or returned by the recipient, in which case when mailed, any notice so sent by electronic or facsimile transmission will be deemed to be given when receipt of such transmission is acknowledged, and any communication so delivered in person will be deemed to be given when receipted for, or actually received, by the party identified above.

Section 12.3. ***Amendments and Waivers***. Any provision of this Agreement may be amended or waived if such amendment or waiver is in writing and is signed by the parties hereto. No course of dealing on the part of any party to this Agreement, nor any failure or delay by any party to this Agreement with respect to exercising any right, power or privilege hereunder will operate as a waiver thereof.

Section 12.4. ***Invalidity***. In the event that any provision of this Agreement is held unenforceable in any respect, such unenforceability will not affect any other provision of this Agreement.

Section 12.5. ***Successors and Assigns***. This Agreement shall be binding upon the parties hereto and their respective successors and assigns and shall inure to the benefit of the parties hereto and their respective permitted successors and assigns. Prior to Completion of any Phase of the Project, other than in connection with a Permitted Transfer, Owner may not assign this Agreement with respect to such Phase of the Project without the prior written consent of the DDA, which consent may be withheld or conditioned in the reasonable discretion of DDA and the City. Permitted Transfers do not require the prior written consent of DDA, regardless of the status of Completion of any Phase or of the overall Project. DDA agrees that in connection with such a Transfer of Phase of the Project upon compliance with the aforesaid requirements, and in connection with all Permitted Transfers of a Phase of the Project, DDA will execute a partial release, in form and substance satisfactory to DDA, of Owner from liability under this Agreement with respect only to obligations, actions and liabilities which arise or accrue after the date of such Transfer or Permitted Transfer of a Phase of the Project and assumption and which are not caused by or arising out of any acts or events occurring or obligations arising prior to or simultaneously with such Transfer or Permitted Transfer of a Phase of the Project and assumption, or arising out of any misrepresentation by Owner or such transferee in connection with such transfer and assumption.

Section 12.6. ***Exhibits; Titles of Articles and Sections***. The exhibits attached to this Agreement are incorporated herein and will be considered a part of this Agreement for the purposes stated herein, except that in the event of any conflict between any of the provisions of such exhibits and the provisions of this Agreement, the provisions of this Agreement will prevail. All titles or headings are only for the convenience of the parties and may not be construed to have any effect or meaning as to the agreement between the parties hereto. Any reference herein to a Section or subsection will be considered a reference to such Section or subsection of this Agreement unless otherwise stated. Any reference

herein to an exhibit will be considered a reference to the applicable exhibit attached hereto unless otherwise stated.

Section 12.7. ***Applicable Law***. This Agreement is made under and will be construed in accordance with and governed by the Laws of the United States of America and the State.

Section 12.8. ***Entire Agreement***. This Agreement, together with the other Bond Transaction Documents, represents the final agreement between the parties and may not be contradicted by evidence of prior, contemporaneous, or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties.

Section 12.9. ***Approval by the Parties***. Whenever this Agreement requires or permits approval or consent to be hereafter given by any of the parties, the parties agree that except as otherwise specified herein with respect to certain anticipated requests for consents or approvals, such approval or consent shall be within the sole discretion of the party from whom such approval or consent is requested, and, in addition, Owner acknowledges and agrees that any such changes, or requests for consents or approvals, shall be subject to such evaluation, review and analysis as the DDA and the City require in the discharge of their obligations under law, to the public and otherwise in accordance with the procedures of the DDA and the City.

Section 12.10. ***Additional Actions***. The parties agree to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may be necessary or appropriate, from time to time, to carry out the terms, provisions and intent of this Agreement and to aid and assist each other in carrying out said terms, provisions and intent.

Section 12.11. ~~***RESERVED***~~***No Construction against Drafter***. This Agreement has been negotiated and jointly prepared by the Parties and their respective counsel, and should any provision of this Agreement require judicial interpretation, the court interpreting or construing any such provision shall not apply, and the Parties each hereby waive, the rule of construction that a document is to be construed more strictly against a Party because any such Party or its counsel participated in the drafting thereof.

Section 12.12. ***DDA Expenses and Consent***. Owner covenants and agrees to pay the reasonable actually incurred post-closing expenses of any counsel, agent or third party retained by the DDA to review any documents or other items submitted by Owner from time to time for review and/or approval by the DDA in accordance with the terms of this Agreement from and after the Effective Date that the DDA determines, in its reasonable discretion, requires the use of outside legal counsel or third parties as opposed to the in-house legal counsel or employees of the DDA or the City.

Section 12.13. ***Estoppel Certificates***. The DDA (for itself and as agent for the City) hereby covenants that within fifteen (15) days of the written request from Owner, any actual or prospective Project Finance Lender or any actual or prospective successor or assignee of Owner respecting ownership of the Project, it shall issue to such parties an estoppel certificate stating to its actual knowledge: (a) whether a Default with respect to Owner has occurred or whether the DDA has issued any notice of an Event of Default under this Agreement to Owner, and if there is such a notice, specifying the nature thereof, (b) whether Completion of an applicable Phase of the Project has occurred, (c) whether to the DDA's actual knowledge this Agreement has been modified or amended in any way (and if it has, then stating the nature thereof), and (d) such other matters regarding this Agreement and the Project as may be reasonably requested. Owner hereby covenants that within fifteen (15) days of the written request from the DDA, it shall issue an estoppel certificate stating: (i) whether Owner has issued any notice of a breach or an Event of Default under this Agreement to City or the DDA, and if there is

such a notice, specifying the nature thereof, (ii) whether to Owner's knowledge this Agreement has been modified or amended in any way (and if it has, then stating the nature thereof), and (iii) such other matters regarding this Agreement and the Project as may be reasonably requested.

Section 12.14. ***Document Control***. As and solely to the extent of any conflict between this Agreement, the EZ Bond Documents and any other agreement relating to the Project, (i) as to the attainment or interpretation of the Development Benchmarks (or any one of them), the eligibility of a particular cost or expense as a Reimbursable Project Cost, or the interpretation of or compliance with the requirements relating to the Public Purpose Initiatives or any other matter which relates to the development (as opposed to the financing) of the Project, this Agreement shall control, and (ii) as to any matters relating to the financing of the Project and/or the provisions of the EZ Bonds, the EZ Bond Documents shall control (subject only to (i) above)

Section 12.15. ***Exculpation***. This Agreement is made by officers, members or other authorized representatives of the parties hereto, solely as officers, members or representatives of such parties and not in their individual capacities. No Affiliate of Owner, no direct or indirect trustee, director, officer, employee, beneficiary, member or agent of Owner, and no direct or indirect trustee, director, officer, employee, beneficiary, member or agent of any Affiliate of Owner shall be personally liable in any manner to any extent under, or in connection with, this Agreement or the obligations reflected therein.

Section 12.16. ***Broker's Commissions***. Except for brokers that shall be paid by Owner, Owner and DDA represent and warrant to each other that neither party has dealt with a broker, salesperson or finder with respect to this Agreement or the transactions contemplated herein, and that, except for commissions that shall be paid by Owner, no fee or brokerage commission will become due by reason of the transactions contemplated by this Agreement. The parties will indemnify, defend and hold harmless each other from all costs, liabilities, expenses and reasonable attorney's fees arising out of the breach of this Section.

Section 12.17. ***PDF Signatures***. Signatures to this Agreement transmitted by telecopy, portable document format (PDF) or other electronic means shall be valid and effective to bind the party so signing. Each party agrees to promptly deliver an execution original to this Agreement with its actual signature to the other party, but a failure to do so shall not affect the enforceability of this Agreement, it being expressly agreed that each party to this Agreement shall be bound by its own PDF'd or other form of then acceptable or reasonably similar electronic signature and shall accept the PDF'd or other form of then acceptable or reasonably similar electronic signature of the other party to this Agreement.

Section 12.18. ***Counterparts***. This Agreement may be executed in separate counterparts. It shall be fully executed when each party whose signature is required has signed at least one counterpart even though no one counterpart contains the signatures of all of the parties to this Agreement.

Section 12.19. ***Non-Duplication of Obligations or Expenses***. For the avoidance of doubt, to the extent monetary and non-monetary obligations in this Agreement are repeated in the TAD Development Agreement, such repetition is not intended to impose duplicate obligations or expenses.

and

THE DOWNTOWN DEVELOPMENT AUTHORITY OF THE CITY OF ATLANTA

and

THE CITY OF ATLANTA

RECOGNITION AGREEMENT

This Recognition Agreement (this "Agreement") dated as of [_____], 20[__], is entered into by and among [SPRING STREET (ATLANTA), LLC, a Delaware limited liability company] (together with its successors and assigns, "Developer"), [_____], a [_____] (together with its successors and assigns and any purchaser at any foreclosure sale or assignment in lieu of foreclosure of the Mortgage (as defined below), individually and collectively, "Lender"), THE DOWNTOWN DEVELOPMENT AUTHORITY OF THE CITY OF ATLANTA, a public body corporate and politic of the State of Georgia, and existing pursuant to the 1983 Constitution and laws of the State of Georgia ("DDA"), and the CITY OF ATLANTA, a municipal corporation and political subdivision of the State of Georgia (the "City").

RECITALS:

WHEREAS, Developer, DDA and the City are parties to that certain Development Agreement, dated as of [_____], 2018 (as amended from time to time, the "Development Agreement"). All capitalized terms used but not defined herein shall have the meanings ascribed thereto in the Development Agreement;

WHEREAS, Lender has made a loan to Developer in the aggregate maximum principal amount of $[_____] (the "Loan"), advances under which are to be used by Developer for the development of the portion of the Project owned by Developer and described on **Exhibit A** attached hereto (the "Subject Property") and are to be governed by the Loan Documents (as hereafter defined);

WHEREAS, the Loan has been made pursuant to that certain [Loan Agreement] (the "Loan Agreement"), between Lender and Developer and dated as of the date hereof, which is evidenced by certain notes (collectively, the "Note") made by Developer to Lender dated as of the date hereof, which are secured by certain mortgages (collectively, the "Mortgage"; and together with the Loan Agreement, the Note and all other documents evidencing, securing, or otherwise relating to the Loan, collectively, the "Loan Documents"), made by Developer to Lender and dated as of the date hereof; and

WHEREAS, Lender is requiring the execution and delivery of this Agreement as a condition precedent to making the Loan.

AGREEMENTS:

NOW, THEREFORE:

1. Acknowledgement of Loan and Lender. The City and DDA acknowledge that: (i) Lender and Developer have entered into the Loan Documents, (ii) the Loan constitutes a Project Financing, (iii) Lender constitutes a Project Finance Lender and (iv) the Mortgage constitutes a Project Finance Security.

2. Development Agreement. Developer, the City and DDA hereby acknowledge and agree that:

(a) The Development Agreement has not been modified, amended or supplemented and is in full force and effect as of the date hereof. The Development Agreement

represents the entire agreement between Developer, DDA and the City with respect to the subject matter thereof.

(b) All obligations under the Development Agreement to be performed by Developer as of the date hereof have been satisfied. As of the date hereof, the City and DDA each represent and warrant that (i) to its knowledge, there are no existing defenses or offsets which the City and/or DDA has against the enforcement of the Development Agreement by Developer, (ii) to its knowledge there exist no defaults by Developer under the Development Agreement and (iii) it has no actual knowledge of the existence of any event which, with the giving of notice, the passage of time or both, would constitute such a default.

(c) The City and DDA each covenant and agree to deliver copies of all notices of default issued under the Development Agreement or any document or agreement related thereto to Lender at the same time it delivers such notice to Developer and no such notice shall be effective unless delivered to the Lender. If the City or DDA shall elect to terminate the Development Agreement by reason of any "Event of Default" of Developer, the termination shall not become effective if, within the sixty (60) day period after the date of such election to terminate, Lender shall (i) notify the City and DDA of Lender's desire to cure the Event of Default; and (ii) comply, or in good faith with reasonable diligence and continuity commence to comply, with all non-monetary requirements of the Development Agreement that are reasonably susceptible of being complied with by Lender and prosecute such cure to its completion. If Lender is unable to effect cure within such sixty (60) day period because it has not been able to obtain possession of the Subject Property from Developer, the termination shall not be effective if Lender has initiated and for so long as Lender is diligently pursuing foreclosure or similar proceeding, and, once Lender is able to commence such cure, to diligently and continuously thereafter do so. All rights of Developer under the Development Agreement which may have been or may be deemed to be waived or terminated by virtue of the existence of a default shall be deemed reinstated if Lender timely cures such default.

(d) The City and DDA consent to the collateral assignment of Developer's interest in the Development Agreement to Lender and any transfer of the Development Agreement made in connection therewith. The City and DDA hereby confirm that Lender and its successors and assigns and any purchaser at any foreclosure sale or assignment in lieu of foreclosure of the Mortgage is each a permitted assignee of Developer and a third-party beneficiary under the Development Agreement, which Development Agreement shall survive any such foreclosure sale. The City and DDA hereby agree that the Development Agreement shall not be amended, modified or supplemented in any respect without) Lender's prior written consent while any amounts remain outstanding under the Loan Documents.

3. Foreclosure. The parties hereto acknowledge and agree to the following:

(a) Definitions.

i. As used in this Agreement, a **"**Foreclosure Transfer**"** means acquisition of title to the Subject Property by foreclosure (whether strict or by sale) and/or any deed in lieu of foreclosure under the Mortgage.

ii. As used in this Agreement, a **"**Post Foreclosure Transferee" means any person, including Lender or its affiliate or loan assignee, who acquires title to

the Subject Property or any portion thereof at a Foreclosure Transfer, as well as any subsequent transferee of such person.

(b) Post Foreclosure Transferee Not Liable. Notwithstanding any provision of the Development Agreement or this Agreement to the contrary, any Post Foreclosure Transferee who acquires title to the Subject Property following a Foreclosure Transfer under or with respect to the Mortgage shall not be liable for damages arising from breach of any covenants, conditions, or restrictions performed or which were to have been performed prior to the time such Post Foreclosure Transferee acquired title to the Subject Property, including but not limited to (i) Developer's non-payments of fees, penalties, or reimbursements relating to damages suffered due to actions or omissions of Developer prior to the foreclosure sale, or indemnifications made by Developer with respect thereto, (ii) claims for breach of any representations or warranties made by Developer, or (iii) claims for defaults that are no longer susceptible of an effective cure.

4. Entire Agreement. The parties hereto agree that this Agreement shall be the entire agreement between the parties hereto with regard to each parties' rights and liens hereunder and all documents and agreements executed in connection therewith. Except for the Lender, no party hereto may assign, transfer or set over to another, in whole or in part, all or any part of its benefits, rights, duties and obligations hereunder, including, but not limited to, performance of and compliance with conditions hereof. This Agreement shall inure to and bind each party's permitted successors and assigns.

5. Continuing Effect Notwithstanding Loan Modifications. ~~Other Commitments~~OTHER COMMITMENTS

1. Stormwater Management:

The Project shall comply with all federal, state and local requirements related to stormwater management, including, but not limited to the City of Atlanta Soil Erosion, Sedimentation, and Pollution Control Ordinance, and the City of Atlanta Post Development Stormwater Management Ordinance associated with the area of disturbance for each Phase.

2. City Cooperation:

The City hereby agrees to assist and cooperate in identifying surface drainage issues for the Project associated with the combined sewer system, in identifying surface drainage conditions, in providing hydraulic model assistance for basin hydraulics, including 100 year flood elevations and in identifying off-site reuse opportunities.

3. Infrastructure Improvements:

If it is determined that the development of the Project or any of its ~~**phases**~~Phases will require on-site system improvements to the City's infrastructure system(s) for sanitary sewer, storm sewer, combined sewer and/or potable water service or streets within and adjacent to the ~~**Project site**~~Site then:

- The City will first work in good faith to assist Owner in identifying means and alternates to reduce and if possible eliminate the need for such on-site system improvements.

- But if it is determined that improvements to on-site such systems are still necessary, then such improvements to the sanitary sewer, storm sewer, combined sewer and/or potable water service system or streets may be made in accordance with the City's Code of Ordinances within and directly adjacent to the Project limits. Such system improvements could be in lieu of onsite requirements if such improvements provide system benefits for the greater community.

If it is determined that the development of the Project or any of its ~~**phases**~~Phases will require off-site system improvements to the City's infrastructure system(s) for sanitary sewer, storm sewer, combined sewer and/or potable water service or streets within and adjacent to the ~~**Project site**~~Site then the City and Owner shall determine a mutually acceptable cost sharing mechanism for off-site improvements, s**o long** as such off-site improvements have a benefit to the greater public, taking into consideration the existing conditions, remaining usable life, and the City's capital plan and program related to the system based on its age, other projects, ordinary repair/maintenance and other events such as system failures, acts of god or emergencies.

4. City Services:

The City shall cause Police, Fire & other city services to be extended and thereafter maintained to serve the "Gulch" and the Project from time to time as it is built up by delivering service packages and service levels commensurate with service packages and service levels available to other developed areas within the geographical boundaries of the City as of the Effective Date but extrapolated and scaled to factor in the size of the Project, the nature of the Project's uses and the number of residents, workers, invitees, visitors and other users of and to the Project, and without deterioration over time unless proportionate to overall changes in police, fire and other city service staffing of the City.

Owner shall provide Workforce/Affordable Housing Units to be reserved for Tenants who have an income that does not exceed ~~**exceed**~~ 80% of AMI. If Owner is provided vouchers by the Atlanta Housing Authority that pay the difference between the affordable rent and market rent, Owner shall provide an additional 10% of Workforce/Affordable Housing units ~~**units**~~ (for an aggregate of 30% of residential units), as Workforce/Affordable Housing Units. ~~**Owner shall provide the**~~ Such additional 10% of the Workforce/Affordable Housing Units ~~**to**~~shall be reserved for Tenants who have an income that does not exceed 30% of AMI (as defined below)~~,~~. Upon completion, Workforce/Affordable Housing Units shall be designated by Owner as either a "**Workforce/Affordable Housing Rental Unit**" or a "**Workforce/Affordable Housing For-Sale Unit**." Workforce/Affordable Housing Rental Units must be leased as such for a minimum of three (3) years. If a Workforce/Affordable Housing Unit is designated and occupied as a Workforce/Affordable Housing Rental Unit, then the tenant must be given the right to occupy such unit for three (3) years before it can become a Workforce/Affordable Housing For-Sale Unit. If a Workforce/Affordable Housing Unit is occupied as a Workforce/Affordable Housing Rental Unit, then it cannot become a Workforce/Affordable Housing For-Sale Unit for three (3) years. After three (3) years of full compliance as a Workforce/Affordable Housing Rental Unit, a Workforce/Affordable Housing Unit may then be sold as a Workforce/Affordable Housing For-Sale Unit. An approved transition plan must be in place for all occupants of Workforce/Affordable Housing Rental Units as well as a right of first refusal to purchase the unit.

(b) To qualify for a Workforce/Affordable Housing Rental Unit, the resident must be a person(s), who at the time of the execution of the applicable lease, has an income (adjusted for family size) that does not exceed 30%~~**, 60%**~~ or 80% (as applicable) of the AMI for the Atlanta-Sandy Springs-Marietta, Georgia HUD Metro FMR Area (as published from time to time by the U.S. Department of Housing and Urban Development) (the "**Tenant Qualifications**"). An incumbent tenant who elects to remain in possession of a Workforce/Affordable Housing Rental Unit after expiration of the initial lease period shall be deemed to satisfy the Tenant Qualifications for and all subsequent rental terms so long as such tenant's income does not exceed 140% of the income limit that would have otherwise been applicable to a new tenant at the commencement of such subsequent rental term. (c) Owner agrees that the maximum monthly rental rate, including all mandatory fees, for a Workforce/Affordable Housing Rental Unit shall not exceed the Rent Limit that corresponds to the number of bedrooms in the subject Workforce/Affordable Housing Rental Unit. The Rent Limit is calculated annually assuming 30% of annual income (adjusted for family size) that does not exceed 80% of the AMI for the Atlanta-Sandy Springs-Marietta, Georgia HUD Metro FMR Area is available to pay rent. An average family size is assumed for each unit (based on the number of bedrooms) as follows: (i) for studio units, using the one person income limit; (ii) for one bedroom units, using the average of the one and two person income limits; (iii) for two bedroom units, using the three person income limit; and (iv) for three bedroom units, using the average of the four and five person income limits.

If Owner coordinates in writing and in a commercially reasonable manner with the City of Atlanta Office of Housing and Community Development for a period of sixty (60) days with respect to any Workforce/Affordable Housing Unit from the completion of such units or the vacation of any such unit by any Qualified Tenant, and despite such coordination, such unit has not been leased to a Qualified Tenant then such units shall be counted towards the Workforce/Affordable Housing Requirement if so certified by the City of Atlanta Office of Housing and Community Development. For the avoidance of doubt, any Workforce/Affordable Housing Unit that has not been able to be leased for a period of sixty (60) days, may be leased at a market rate so as to minimize vacancy within the Project.

(e) To qualify for a Workforce/Affordable Housing For-Sale Unit, the resident must be a person(s), who at the time of the execution of the applicable sale, has an income (adjusted for family size) that does not exceed 120% of the AMI for the Atlanta-Sandy Springs-Marietta, Georgia HUD Metro FMR Area (as published from time to time by the U.S. Department of Housing and Urban Development) (the "**Purchaser Qualifications**").

(g) The Workforce/Affordable Housing Units will be made available to all households that meet the foregoing qualifications on a first come, first served basis. The Workforce/Affordable Housing Units shall not be in isolated horizontal regions of the Project, but shall be interspersed across a number of buildings. Each building however may have a different percentage of Target Units and Market Rate Units provided that at all times on a Project basis the resultant number of required Target Rental Units has been provided. Within each of the buildings, the Workforce/Affordable Housing Units shall be similar in appearance to the "**Market Rate Units**" in the same building.

(h) In lieu of compliance with the on-site Workforce/Affordable Housing Requirement, Owner may elect to pay an in-lieu fee to the City to be deposited into the Gulch Housing Trust Fund prior to issuance of a building permit. In-lieu fees are a public record and calculated yearly to reflect the current market. Rates will be published and made available on the City of Atlanta Department of City Planning website no later than June 1 of each year and will be effective July 1 of that same year. The in-lieu fees plus administrative costs are based on the approximate cost of construction of replacement affordable workforce housing units not built on-site. The Project will be considered part of the Westside Neighborhoods for purposes of determining the in-lieu fee using the Office of Housing and Community Developments In-Lieu Fee Schedule. The Gulch Housing Trust Fund shall be used by Invest Atlanta to provide Workforce/Affordable Housing in the Westside TAD outside of the Project.

(i) Owner shall provide Invest Atlanta ~~a~~the prior right ~~of first refusal~~ to purchase any of the for sale Affordable/Workforce Housing Units before marketing them to the general public. DDA may purchase them directly or through another qualified government entity, non-profit or related affiliate pursuant to (f) above and to be used only as an Affordable/Workforce Housing Unit.

Notwithstanding the foregoing Owner shall not be required to give DDA the right to purchase units in excess of consolidation limits permitted by applicable law, lender underwriting requirements and/or Freddie Mac, Fannie Mae or HUD guidelines. DDA shall exercise its right by response notice within twenty (20) business days after receipt of each offer from Owner; if DDA rejects or fails to respond within such 20-business day period DDA will be deemed to have waived its right to purchase the applicable offered Affordable/Workforce Housing Unit. Any title company insuring title to the unit will be entitled to rely upon such rejection or failure to respond; however, upon request, DDA will deliver a waiver of its option to purchase in order to permit clean title insurance to be issued

(a) Owner will use best efforts to develop and implement an equal business opportunity ("**EBO**") plan (the "**EBO Plan**") for enlisting and monitoring inclusion of minority, small and female business enterprises ("**M/FBE**") in all business opportunities that relate to the design, development, construction and property management of the Project[2]. The EBO Plan will provide that Owner will make best efforts to identify, enter into contracts and/or provide training where appropriate with M/FBE's for inclusion in the design, development, construction and property management of elements of the Project consistent with the EBO Plan. The EBO Plan will also provide that all design professionals participating in the design, development and construction of the Project, including the General Contractor(s), the lead architects, their respective subcontractors, and their respective sub-subcontractors, must comply with the EBO Plan. (c) The parties agree that an EBO monitor (DDA Project Verification Agent) will be appointed by the City. The EBO monitor shall be a licensed Georgia attorney or qualified design, construction or real estate professional with experience overseeing such programs on similar development initiatives. The costs of the EBO monitor shall be eligible for reimbursement from the TAD Bonds and the EZ Bonds.

This EBO Plan (the ""Plan"") will outline the key components of the Owner team's EBO commitments. Each Phase of the Project is likely to have its own General Contractor, lead architect and lead engineer (collectively, the ""General Contractors and Lead Architects""). Included in the EBO Plan shall be a requirement that all General Contractors and Lead Architects, as well as all tiers of their subcontractors use best efforts to achieve the EBO Plan objectives.

Plan Objectives

The objective of the EBO Plan is to set forth and implement the following policies and procedures adopted by Owner in order to exercise best efforts to achieve a minimum participation Goal (as hereinafter defined) in connection with the design and construction of the improvements included within Project. Owner shall require the General Contractors and Lead

Architects to exercise best efforts to utilize M/FBEs for participation in all aspects of the design, development, and construction, and subsequent property management of the vertical improvements included within the Project by complying with the EBO Plan. The EBO Plan describes the best efforts to be taken to solicit, identify and enter into contracts with M/FBEs, and the requirements for reporting and monitoring participation. Furthermore, the Plan provides that all design professionals and construction service providers participating in the design and construction of the Project (collectively, "the "Contracting Parties"), including general contractors, lead architects, their respective subcontractors, and their respective sub-contractors, must comply with the EBO Plan.

Plan Elements

I. The Goal

A. Under the EBO Plan, Owner agrees to exercise best efforts to achieve a minimum goal of at least 38% participation ("Goal") by M/FBEs measured by the total of all Modified Project Costs (as hereinafter defined). Although the Goal shall apply to the overall Project, Owner shall be expected to substantially meet the Goal throughout all Phases of the Project.

B. The Goal will apply to Modified Project Costs which are defined as the total Project Costs less:

1. Consideration paid to acquire property;

2. Payments to public utilities for customary services;

3. Any and all other Project costs the DDA Project Verification Agent approves, based on its reasonable judgment, that cannot reasonably be performed by M/FBEs. No costs shall be so excluded without the express approval of the DDA Project Verification Agent.

C. Owner shall require that its General Contractor(s) and Lead Architect(s) comply with the Westside Works Program.

II. Implementation

A. Owner will:

1. Use the City's M/FBE database and other available sources to identify qualified and certified M/FBEs;

2. Facilitate communication of the Plan to the community and vendors through outreach sessions, presentations, and notices;

3. Assist other Contracting Parties with appropriate resources and assistance to find M/FBEs, including utilizing the City's M/FBE database and other available resources; and

4. Require the General Contractor(s) and Lead Architect(s) to comply with the Westside Works Program in connection with the design and construction of the Project.

B. Each Lead Architect and Lead General Contractor shall:

1. Provide one consistent point of contact to Owner for the purposes of communications with respect to the EBO Plan; and

2. Set individual goals on individual subcontracts consistent with Owner~~'~~'s best efforts to achieve the Goal.

C. Each General Contractor, Architect, and Contracting Party shall:

1. Be contractually responsible for monitoring and accurately collecting and reporting M/FBE utilization data on a monthly basis;

2. Require all tiers of subcontractors to execute an affidavit that commits to using best efforts to comply with the EBO Plan and Goal throughout the life of their participation in any project;

3. Providing the DDA Project Verification Agent with copies of all scopes of work at the time they are developed and before they are formally publicized;

4. Providing the DDA Project Verification Agent with copies of all agreements at the time they are executed; and

5. Work with Owner to communicate details of the Plan and opportunities associated with the Project through advertisements, notices or ~~"~~"information sessions.~~"~~"

III. Solicitation

During each General Contractor, Architect, and Contracting Parties' solicitation phases:

A. Owner shall:

1. Assist the Contracting Parties, bidders and M/FBEs with any questions regarding the EBO Plan;

2. Provide, upon request, any determinations (based upon information submitted to it) regarding whether and how an M/FBE~~'~~'s subcontract will be counted toward the Goal; and

3. Require the Contracting Parties to submit a form identifying by name the M/FBE that is committed to be used on the specific subcontract, the scope of work, and the contract value and the percentage of total subcontract amount represented by the M/FBE.

B. Each Lead Architect and General Contractor shall:

1. Provide one point of contact to Owner for the solicitation phase of the Project; and

2. Submit all documentation required by Owner, including the M/FBE information forms described above, regularly or upon request but no more than monthly.

IV. Construction

A. The construction period with respect to a given Phase of the Project will occur between the award of each subcontract with respect to such Phase and the Final Completion of such Phase, which shall be the issuance of the last certificate of occupancy for the initial vertical development of such Phase of the Project.

B. Owner shall:

1. Make reasonable efforts to assist the Contracting Parties in resolving any M/FBE-related concerns relating to the Project and shall notify the DDA Project Verification Agent immediately of any M/FBE issues or disputes;

2. Actively participate in documenting and monitoring compliance with the EBO Plan; and

3. Identify and track the value of work that counts toward the Goal on a monthly basis.

C. Each Lead Architect and General Contractor shall:

1. Provide one point of contact to Owner and the City for the construction period of the Project;

2. Actively participate in compliance reporting and monitoring, and promptly provide this information to Owner, including submission of the progress reports described below; and

3. Work with Owner to attempt to assist the Contracting Parties in resolving any M/FBE-related issues on the Project.

V. Measuring Participation

A. **Counting**.

Owner will count toward the Goal the value (or a percentage of the value, as discussed below) of the Contracting Parties~~'~~ contracts for work performed on the Project only after an M/FBE is certified as a M/FBE, the M/FBE has be identified, and the percentage or dollar amount committed to the M/FBE has been agreed upon with the M/FBE.

Whether the Goal is achieved will be evaluated and determined throughout the Project and upon the completion of all phases of the Project based on the total amount of Modified Project Costs.

Owner will utilize the following guidelines in determining the percentage of M/FBE participation that will be counted towards the Goal:

1. Only amounts paid to and work performed by a M/FBE will be counted toward the Goal.

2. Subject to subsection 6 below, only the value of the work actually performed by a M/FBE will be counted toward the Goal.

3. When a M/FBE subcontracts part of the work of its contract to another firm, the full value of the M/FBE's contract will be counted toward the Goal only if the subcontractor is itself a M/FBE, otherwise the amount attributable to the Goal shall be the M/FBE award less any subcontract to Non-M/FBEs.

4. Only the amount of fees or commissions charged by a M/FBE for providing a bona fide service, such as professional, technical, consultant or managerial services, or for providing bonds or insurance required for the contract, will be counted toward the Goal.

5. When a M/FBE performs as a participant in a joint venture, a portion of the total dollar value of the contract equal to the portion of the work of the contract that the M/FBE performs with its own workforce will be counted toward the Goal.

6. Expenditures with M/FBEs for materials or supplies will be counted toward the Goal, as provided in the following:

    a. If the materials or supplies are obtained from a M/FBE manufacturer, 100% of the cost of the materials or supplies will be counted toward the Goal.

    b. If the materials or supplies are obtained from a M/FBE "full service supplier", 60% of the cost of the materials or supplies will be counted toward the Goal. An M/FBE qualifies as a "full service supplier" if such vendor has warehoused or stored the materials or supplies for which credit toward the Goal is being sought.

    c. If the materials or supplies are not obtained from a M/FBE manufacturer or full service supplier, only the mark-up or profit margin component of the costs paid to a M/FBE will be counted toward the Goal.

VI. Monitoring and Reporting

A. **General**. Owner has primary responsibility to monitor and audit overall compliance with this Plan. The General Contractor(s) and the Lead Architect(s) are responsible for monitoring and accurately collecting M/FBE data from their respective subcontractors

and reporting such data to Owner. Owner shall promptly provide such information, as received from such sources, to the DDA Project Verification Agent, or its designee no later than the last day of every month until completion of the Project (the ""Reporting Period"). The other Contracting Parties will cooperate with Owner's monitoring plan and requests as outlined in this section. Owner's obligations under the EBO Plan shall terminate upon the submission of the last report due in the Reporting Period.

B. **Reporting**. Owner will require the General Contractor(s), the Lead Architect(s) and any other first tier Contracting Parties to submit on a monthly basis complete and accurate M/FBE utilization data, including the following:

1. Name of each Vendor on the Project. It is not sufficient to just provide the M/FBEs on the project;

2. Vendors that the Contracting Parties have committed to use, as of the date of the report;

3. Identification of the Contracting Party that has hired each Vendor;

4. The M/FBE status of each hired Vendor ownership (African American, Asian Pacific American, Hispanic American, Female, Non-M/FBE)

5. Total contract value for each committed M/FBE and Non-M/FBE. It is not sufficient to just provide the M/FBEs on the project;

6. Changes, if applicable, to the total contract value for each committed Vendor;

7. Identification of each Vendor as a contractor, consultant, full service supplier, or other supplier or broker;

8. Value of work or supplies claimed by the Vendor during the report period;

9. Value of work or supplies to be counted toward the Goal during the report period;

10. Total value of work or supplies invoiced to date and paid to date for each Vendor; and

11. Total amount of Modified Project Costs invoiced to date and paid to date.

Owner shall require the General Contractor(s) and Lead Architect(s) to submit monthly progress reports on a form designated by Owner with the information above as well as a statement as to their compliance with the First Source Jobs Program.

C. **Noncompliance.** If Owner, in its reasonable discretion, determines that any subcontractor has (i) failed to make a good faith effort to comply with the EBO Plan (after notification and a reasonable cure period), or (ii) intentionally or recklessly reported false M/FBE data, Owner will require the General Contractor and the Lead Architect to exclude such subcontractor from further participation in the construction

and development activities associated with the Project and shall withhold any construction bonuses from the General Contractor and the Lead Architect unless and until such best efforts have been made. Further, the General Contractor and Lead Architect shall have the right to withhold retainage from any subcontractor that has not made best efforts to comply with the EBO Plan.

If the DDA Project Verification Agent, in its reasonable discretion determines that Owner has failed to make a good faith effort to have General Contractors, Lead Architects, and Contracting Parties adhere to the EBO Plan and exercise best efforts to achieve the Goal, the DDA Project Verification Agent shall provide in writing the reasons for its determination and a reasonable opportunity for Owner to respond, cure or resolve the asserted failure.

INVEST ATLANTA - PORTFOLIO SERVICES

SCOPE OF WORK

COMPLIANCE MONITORING
THE GULCH

PURPOSE

This proposed Scope of Work ("Scope") describes the services to be provided and tasks to be performed by the Atlanta Development Authority d/b/a/ Invest Atlanta ("Invest Atlanta") in the monitoring of its affordable workforce housing requirements for properties associated with the development known as "The Gulch".

OBJECTIVE

Invest Atlanta's main role and responsibility is to monitor Owner's compliance with the affordable workforce housing requirement as defined in the development agreement(s), bond document(s), or Land Use Restriction Agreement(s).

AFFORDABLE HOUSING COMPLIANCE MONITORING - AUDITING PROCESS

1) Audits are conducted annually for all active properties. Annual audits include physical site inspections of units set aside for affordable workforce housing and file reviews of tenants in the set aside units.

2) Audit notice sent via mail or email to Owner (cc: to Property Manager and Invest Atlanta Director of Compliance).

    a) Notice sent at least 14 days before scheduled site visit

    b) Includes number of files to be reviewed (10% of all units)

    c) Includes number of units to be inspected

3) Audit list sent via email and/or facsimile to Property Manager

    a) Three business days prior to scheduled site visit

    b) List of specific unit files (with household name) to be reviewed

    c) List of specific units to be inspected

4) Site visit: file review and unit inspection conducted.

    a) File and Physical Findings are furnished to the Property Manager with a 30 day deadline to cure all findings. Some physical findings require a 24-hour cure (disabled

smoke detector or other health and life safety issues) and must be resolved within that time frame.

b) Should the audit of ten percent of the set aside units reveal problems, or should the audit not meet the sampling test that would prove the project has met its minimum set-aside, an expanded audit will commence immediately.

5) Once the cure deadline has been reached, the auditor has the option of:

a) physically visiting the project to check all corrections on-site OR

b) completing a desk-top audit of all cures furnished.

6) Should the project fail to cure all findings, a findings letter will be issued to the Lessee/Owner documenting all outstanding cures with an additional 30-day deadline to cure (excluding any health and life safety issues which must be cured immediately); provided that, if such findings have not been remedied within such 30-day period but are capable of remedy within an additional consecutive 60-day period, Owner shall have an additional 60-day period to remedy the findings so long as Owner is diligently pursuing such remedies. Non-Compliance Fees may apply.

7) Close-out letter is issued to Owner and Property Manager.

a) Letter issued after cures have been made and the auditor is satisfied that cures have been completed accurately.

AFFORDABLE HOUSING COMPLIANCE MONITORING - REPORTING PROCESS

1) Reporting for each building begins upon reaching ten percent (10%) occupancy for all units within that building.

2) All current projects are required to file monthly reports by the 10th

3) The Lessee or Agent shall furnish to Invest Atlanta

a) Compliance Certificate executed by the Owner Representative or Alternate

b) Computer-generated move-in/move-out report as of the last day of the month

c) Tenant Income Certification for all move-ins and re-certifications for the reporting month,

d) Rent Roll Report for the affordable units as of the last day of the reporting month

e) Days Vacant/Unit Availability Report as of the last day of the month

4) All reports are date stamped and logged in as received by Invest Atlanta.

5) If necessary, Invest Atlanta notifies the property via telephone of any late filing and gives a 2-day deadline to submit the report.

6) Should the 2-day deadline not be met, Invest Atlanta issues a letter of default for non-reporting to Owner (copy to the Property Manager) and an additional 5-day deadline is imposed (Non-Compliance Fees may apply).

RENUMERATION TO INVEST ATLANTA FOR COMPLIANCE MONITORING

As remuneration for its administrative services as outlined above, Invest Atlanta proposes the following fee structure:

AFFORDABLE HOUSING COMPLIANCE MONITORING FEE

Annual Compliance Fee* – $135.00 per affordable unit annually, per residential project development. This payment will be due and payable in quarterly installments. The payment will commence upon delivery of the first multifamily rental development in the year that certificate of occupancy is achieved and continue until the affordability period expires.

**Note: Compliance Fees due to Invest Atlanta and/or its affiliates under separate grant or financing agreements for the individual properties contained within the development will offset the Compliance Monitoring Fee discussed within this scope of work document.*
