- Cleans and protects power aerials
- Cleans white wall tyres
- Lubricates tyre air knobs
- Cleans pigeon droppings from cars
- Lubricates number plate bolts and screws
- Tones down shine of polyurethane
- Lubricates oil filter gasket
- Keeps tyre jack working smoothly
- Cleans and protects rubber boots of drive axles on front-wheel drive vehicles
- Stops squeaking on windscreen wipers
- Unfreezes car doors
- Keeps windscreen wipers rust-free
- Removes rust from side view mirror
- Cleans and protects rear view mirror balls and sockets
- Lubricates child safety seat belt buckles
- Cleans battery chargers
- Lubricates door latch to petrol cap
- Dissolves grease
- Displaces moisture from spark plug wires
- Cleans and protects engine compartment
- Helps clean messes from crevices and holes in van
- Cleans rust from car bonnet latch
- Keeps rubber particles from sticking to drag race car quarter panels
- Buffs out scuff marks on bumpers
- Lubricates emergency brake cable
- Removes road debris from number plate
- Helps remove protective coverings from new cars
- Removes scuff marks from cars caused by shopping trolleys
- Displaces moisture from car wiring
- Cleans gunk from electrical contacts
- Removes carbon residue from spark plugs
- Cleans bugs from rooftop mobile phone/radio aerial
- Removes grime from mobile phone aerial to improve reception
- Cleans pin striping tape from car
- Cleans ignition wires
- Lubricates linkages on emergency brake release
- Removes gum stuck in door locks
- Removes melted rubber from exhaust pipes
- Prevents oxidation on battery connections
- Spray on a rag and wipe window handles to keep them grease-free and grip-able
- Removes road film from brake cables
- Drives moisture out of boot locks
- Keeps car locks from freezing during winter
- Prevents spray nozzles for windscreen wipers from freezing
- Drives moisture from DC auto batteries
- Drives moisture from electrical wiring in cars
- Drives moisture from convertible top hinges
- Lubricates 4-wheel-drive hubs to ease locking procedure
- Frees up sticking carburettor linkage
- Prevents aerials from freezing during winter
- Spray brake button under brake pedal to loosen sticky brake lights
- Lubricates and cleans check-valves in pop-up headlights
- Lubricates manifold heat control valve
- Penetrates stuck brake bleeder valves
- Lubricates car ignition
- Removes grit from windscreen wipers
- Lubricates hood release cable
- Lubricates choke linkage
- Keeps cable on spare tyre rack from seizing
- Cleans and protects brake shoe mechanisms
- Lubricates speedometer cables
- Penetrates stuck car hoods
- Lubricates key holes
- Lubricates wire being pulled through a conduit
- Lubricates rubber wiring grommets to ease installation into fenders/firewalls

- Lubricates automatic seat belt tracks
- Prevents noise on car window tracks
- Cleans gummy build-up from steering wheels
- Cleans cup holders
- Stops squeaks on steering wheels
- Unsticks electric seats in vehicles
- Lubricates hand-operated window cranks
- Cleans and protects seat belt buckles
- Keeps steering wheels and gear knobs grease-free and grip-able
- Prevents rust on inside of door panels
- Lubricates swivelling chairs in minivans
- Quiets squeaks on automatic sliding seat belts

## 3. TRANSPORT

### CARS ~ EXTERIOR

- Lubricates hydraulic rams on slide out of spare wheel
- Lubricates air holes before inserting hand air pump nozzle onto tyres
- Helps remove road salt from car locks
- Helps clean sidewalls on tyres
- Removes tar from chassis
- Penetrates decals from windows and bumper
- Removes insects from front grill
- Removes adhesive tape without damaging factory paint
- Protects corrosion-sensitive areas of car
- Prevents corrosion of spark plug cables
- Removes sludge from outside engine block
- Cleans grime from engines
- Cleans and protects chrome on cars
- Helps remove brake dust from wheels
- Restores shine on classic cars
- Cleans and protects aluminium rims
- Shines car tyres
- Cleans rusty bolts
- Spray on snow chains to keep from rusting
- Lubricates windscreen wiper linkage

List of 2,000 uses

- Lubricates pneumatic door lifters on station wagons
- Loosens stuck butterfly valves
- Spray on rubber intake air ducts to ease installation of fuel injected engines
- Drives moisture from flooded engine
- Spray on aluminium cylinder heads to prevent galling and cross threading
- Cleans bull bars on 4WD vehicles
- Removes excess wax from rubber bumpers
- Removes paint rub from another vehicle
- Helps to insert cables into cable looms

#### TRUCKS & LORRIES

- Removes asphalt from trucks
- Keeps rubber door weather gaskets soft and pliable
- Coat truck bed before installing bed liner to make removal easier
- Shines and protects bed liner
- Cleans spare tyre mount under pickup bed
- Removes pine tar from truck bed covers
- Helps remove vinyl bed-liners
- Frees stuck lug nuts on semi trucks
- Helps remove hand prints from truck bodies
- Spray on bed liners to keep rebar from sticking
- Spray tachometer cables to ensure accurate readings

- Lubricates bearings in wheels on boat trailer
- Loosens stuck trailer hitches
- Lubricates rear door of trailers
- Keeps RV slides rust free
- Removes leftover adhesive residue from tape that holds camper shells to vehicles
- Spray on trailer hitch to prevent squeaks while towing
- Keeps winch cable lubricated and clean
- Keeps winch cables rust-free
- Cleans gunk from travel trailer siding

#### AIRCRAFT

- Lubricates rotor head of helicopters to stop elastomeric dampers from squeaking
- Protects helicopter M/R blades from rust
- Prevents corrosion on helicopter blades
- Frees stuck lift cables on ultra light aircraft (gliders)
- Removes squeaks from sky gliders
- Lubricates outflow valves
- Lubricates emergency gear handle on Piper Aztec
- Frees stuck escape slides located at bottom of entry doors on planes

#### MOTORCYCLES

- Cleans motorcycle chains
- Shines motorcycle finish
- Keeps brake levers clean on motorcycles
- Fogs interior of vintage motorcycle mufflers during winter storage
- Lubricates drive chain on motorcycles
- Cleans burnt oil from exhaust pipes on motorcycles
- Lubricates inside of handgrips to ease installation
- Lubricates motorcycle chains
- Lubricates sun visors
- Lubricates throttle linkage

#### ON YER BIKE

- Protects bicycle chain
- Cleans bike chains
- Lubricates and protects unicycle seat post
- Protects bike frame from salt water corrosion
- Cleans rust off sprockets
- Drives moisture from bicycle gear shifting cables
- Drives moisture from bicycle chains after washing
- Drives moisture from bicycle bearings
- Drives moisture from tyre air nozzles after washing
- Removes unwanted decals from bicycle frames
- Loosens swivel on bicycle handlebars
- Prevents rust on bicycle spokes
- Prevents rust on bicycle brake threads
- Prevents rust on bicycle frame
- Prevents rust on bicycle brake cables
- Lubricates bicycle shocks

- Eases removal of bicycle training wheels
- Lubricates bicycle brake pad hinges
- Lubricates mountain bike derailleur
- Lubricates rotating weightlifting seats
- Stops squeaks on bicycle seat coils
- Prevents rust when sprayed on bike scratches
- Lubricates locks on vehicle bike racks
- Shines bike tyres
- Cleans and protects adjusting screws on bicycle seats
- Cleans chrome bicycle frame
- Degreases bicycle chains
- Degreases bicycle frame
- Lubricates bicycle U-locks
- Drives moisture from wet bicycle chains
- Loosens screws on old bicycle bells
- Stops squeaks on bicycle seat posts
- Cleans swing arms on dirt bikes
- Helps remove stuck freewheel
- Lubricates training wheels
- Stops squeaks on training wheels
- Removes bike skid marks from driveway
- Lubricates stabilizers
- Keeps hitch locks rust-free
- Lubricates bicycle pump
- Protects chains from getting rusty
- Lubricates gear sprockets on mountain bikes

### 4. SPORT & LEISURE

#### GOLF

- Shines golf clubs
- Cleans golf club faces
- Prevents rust on golf spikes
- Lubricates zip on golf bag
- Cleans golf club shafts
- Cleans golf balls
- Protects golf clubs against rust and corrosion
- Removes tyre marks from fibreglass body of go-carts
- Helps remove golf club grip tape during regripping process
- Cleans and protects miniature golf gear
- Removes dead insects from golf carts
- Lubricates axles of golf cart
- Cleans golf cart seats
- Removes moisture between handle & shaft of golf irons
- Spray golf shoe spike threads to prevent rust from forming in sockets
- Spray on golf gloves to stop them from drying out
- Loosen stuck golf cart parts
- Loosens lock on golf cart shed
- Lubricates joints on golf pull-carts
- Lubricates retractable legs on "standing" golf bags
- Keeps golf cart wheels rust-free
- Lubricates folding mechanism of golf pull-carts
- Spray on golf club heads before play to reduce drag caused from a lie in the rough
- Lubricate sections of telescoping golf ball retrievers
- Lubricates folding parts of collapsing golf clubs
- Helps remove rust from golf clubs
- Spray onto golf tees to penetrate hard ground areas
- Lubricates belt drive for golf cart to stop shuddering on startup
- Lubricates hinges of trick (folding) golf clubs
- Loosens stubborn studs in golf shoes

#### FISHING

- Keeps fishing lures corrosion free
- Keeps fishing reels rust-free
- Lubricates fishing reel knobs
- Polishes fishing lures
- Prevents fishing flies from rusting
- Rejuvenates soft plastic fishing lures
- Removes fish slime from tackle
- Drives moisture from fishing waders after use
- Drives moisture from fishing tackle
- Keeps top line guides from freezing on fishing rods when ice fishing
- Lubricates swivels on fishing lures
- Keeps plastic fishing lures from sticking together
- Protects ice-fishing auger from rust
- Protects shellfish rakes from rust
- Rub into hands before touching lures or bait to disguise human scent
- Removes paint from lures
- Spray on fishing line to keep line from becoming stiff
- Keeps lures from snagging on lily pads and lake grass

- Helps break-in cricket gloves
- Protects cricket gloves during off-season
- Removes squeaks from shin guards
- Removes pine tar from baseball bat
- Protects metal baseball bat from rust
- Removes ball marks from aluminium baseball bats
- Spray on baseball cleats to make sliding easier
- Lubricates wheels on portable batting cages
- Lubricates baseball pitching machine and prevents rust
- Spray on slip and slide to enable baseball sliding practice indoors
- Removes deep stains from basketballs
- Cleans bowling ball finger holes
- Lubricates zips on bowling bags
- Gives bowling balls "less grab" on the lanes
- Cleans bowling balls
- Spray cleats before playing in rainy weather to keep mud from sticking
- Helps lubricate chin strap snaps on football helmets
- Loosens football cleats for easier removal
- Lubricates football table axles to make figures move better
- Protects football helmets
- Keeps rust from forming on hockey skate blades
- Use to lubricate hockey goals and keep them from rusting
- Removes tape from hockey stick
- Softens plastic hockey stick blades
- Softens stiff ice hockey skate boots
- Reduces friction on cardboard box for mini-hockey game
- Softens and cleans netting on lacrosse sticks
- Removes grass stains from softballs
- Helps break in softball mitts
- Loosens rusted nuts on volleyball net
- Removes scuff marks from rubber edges of tennis shoes
- Cleans pool cue sticks
- Lubricates metal joints on pool cues
- Spray on your snooker cue to help it glide freely through your fingers

#### RACQUET SPORTS

- Cleans and conditions rubber on table tennis paddles
- Eases application of rubber racquetball racquet grips
- Cleans volleyballballs
- Removes tape from aluminium bats
- Cleans table tennis rackets
- Lubricates metal parts of badminton net
- Lubricates racquetball racket grips prior to installation
- Lubricates wheels on rolling Ping-Pong tables

#### GYM

- Lubricates rollers on rowing machine
- Lubricates weight machine pulleys
- Lubricates sports bag zips
- Eases instalment of rubber hand grips on home exercise equipment
- Stops squeaks on elliptical machines
- Lubricates flywheels on "spinning" cycles at the gym
- Lubricates iso-kinetic workout machines
- Keeps barbells from rusting
- Helps remove rust from pins in weightlifting equipment
- Stops squeaks on weight bench
- Lubricates gears on exercise bikes
- Stops squeaks on power air pump
- Lubricates rowing machines

- Drives moisture from a boat's moving screws
- Lubricates sailboat shackles
- Lubricates noisy dock posts on a windy night
- Lubricates drain plug on boat
- Keeps prop shaft from seizing onto the prop on outboard hydroplanes
- Winterizes boat engine parts to prevent rust and corrosion
- Cleans tuner control on am/fm boat radios to get rid of static when tuning
- Protects and lubricates tail shaft on boat propellers
- Dissolves dirt in water pump of boats
- Removes barnacles from bottom of boats
- Removes tar from boat tarps
- Cleans scuff marks from fibreglass areas on boats
- Removes adhesive from kayak
- Spray on rudder to prevent corrosion and loosen stuck parts
- Cleans water stains from outboard motor
- Helps clean bilge areas
- Lubricates dolly wheels

**WATER SPORTS**

- Lubricates stuck zip on wetsuit
- Prevents rust on pool cover studs
- Drives moisture from buckles on scuba diving belt
- Lubricates windsurfing gear
- Drives out moisture from jet ski spark plugs
- Removes stickers from surfboards
- Keep snorkelling masks from fogging
- Lubricates runners on diving board to make fulcrum move

**WINTER SPORTS**

- Lubricates sleds and toboggans
- Cleans and protects metal buckles on snow gear
- Unfreezes frozen snowshoe zips
- Lubricates snowboard bindings
- Removes rust from sled runners
- Lubricates inner tubes for faster sledding
- Quiets fastening mechanism on snowshoe crampons
- Lubricates rusted parts on snowmobile tie-down bars
- Stops squeaks on ski boots
- Lubricates moving parts of cross country skis
- Prevents rust from forming on ski bindings
- Removes duct tape residue from mono-ski seat
- Lubricates and protects snowmobile suspension
- Penetrates rusted parts on snowmobile tie-down bars
- Shines black rubber base plates

**SKATING**

- Stops squeaks on roller skates
- Protects trucks on skateboards
- Cleans gum out of skateboard axles
- Keeps ice skate blades from rusting
- Cleans gunk from roller skate bearings
- Helps break in shoe portion on new roller skates
- Spray on sharpening stone to help sharpen speed skates

**HUNTING**

- Removes gunk from surface of guns
- Lubricates pump-action guns
- Displaces moisture from guns after cleaning
- Anti-rust agent and lubricant for gun magazines
- Lubricates dart guns
- Removes camouflage tape from guns
- Removes powder residue and metal fouling from gun barrels
- Protects bore and exterior of gun barrel from corrosion
- Protects arrowheads from corrosion
- Drives moisture and mud from duck guns
- Spray on arrow feathers to keep them water resistant
- Drives moisture from moving parts of compound bows
- Removes stickers from arrows
- Lubricates target turners at shooting ranges
- Cleans and lubricates BB guns
- Spray on pump action on shotgun to prevent freezing during cold weather
- Removes lead build-up on guns
- Helps break in leather gun holsters
- Lubricates gun strap hardware
- Protects gun parts when being stored
- Lubricates sling swivels on hunting rifles
- Removes squeak from deer hunting stands
- Cleans reloading dies
- Lubricates compound hunting bow cam mechanisms
- Lubricates wheels on compound bow
- Allows for easy removal of arrows from targets
- Lubricates cams of compound bows
- Lubricate arrow inserts for easy replacement
- Cleans fox traps
- Lubricates raccoon traps
- Lubricates crossbows
- Lubricates pellet guns
- Lubricates fox traps
- Cleans raccoon traps

**RUNNING/HIKING**

- Cleans gunk from hiking boot treads
- Drives moisture from gyro compasses
- Stops squeaks on backpacks
- Loosens track shoe spikes
- Removes athletic tape from ankles
- Loosens hammer locks and chamber of starting pistol for track meets
- Spray on bottom of wet running shoes to drive out moisture
- Protects combination locks on backpacks
- Gets you out of a tight squeeze when pot holing

**OTHER**

- Cleans and lubricates the main parachute release cables on a sports parachute assembly
- Protects metal fencing blades
- Cleans and protects metal fencing uniform parts
- Removes sports tape from uniforms
- Lubricates auto cooker on paintball gun
- Lubricates paintball gun barrel
- Lubricates go-cart linkage
- Lubricates soap box derby wheel bearings and spindles
- Lubricates bed wheels for more speed while bed racing
- Lubricates handheld clay pigeon launcher

**CAMPING**

- Lubricates steel zips on camping equipment storage bags
- Cleans dirt from stabilizer jacks on camping trailer
- Removes gum from tents
- Prevents build-up of grease and dirt on portable stoves
- Cleans clogged propane nozzles
- Prevents build-up of grease and dirt on portable lanterns
- Lubricates tent pole twist locks
- Loosens zips on sleeping bag
- Unfreezes pump handle on portable stove
- Keeps camping gear free of rust
- Eases installation and removal of tent stakes
- Spray joints of metal tent posts to stop creaking due to wind
- Lubricates leather gasket of Coleman stove
- Lubricates moving parts of Swiss army knife
- Lubricates folding tent pole joints
- Lubricates ice chest locks
- Loosens tight folding chair hinges
- Lubricates folding metal stool

**HOLIDAY**

- Cleans and protects trailer hitch locking mechanism
- Cleans residue on luggage handles
- Drives sand from folding parts of chairs and tents
- Frees rusted trailer hitch pins
- Loosens latches on suitcase
- Lubricates fans
- Lubricates luggage locks
- Lubricates moving parts on Black Spider Ride in Coney Island Amusement Park
- Lubricates pullout handle on luggage
- Polishes and shines seashells
- Shines seashells
- Spray on beach chair hinges to prevent binding and rust
- Prevents rust from forming on metal picnic cups
- Lubricates moving parts of diving board fulcrums
- Drives moisture from gears on retractable pool covers
- Prevents rust from forming on patio and poolside furniture ~ cleans & shines chrome railings, ladders & other accessories
- Lubricates portable air pumps to ease inflation of beach balls, air rafts and inner tubes
- Stops squeaks on parasol cranks
- Removes scuff marks from luggage
- Spray on fingers to make smoother finger-spinning for freestyle Frisbee players
- Lubricates zips on luggage
- Lubricates cipher locks

**HOBBIES**

- Keeps model trains rust-free
- Cleans and lubricates remote control model helicopter
- Cleans runners on slot cars
- Cleans tin-plated parts on model trains
- Helps remove light bulbs from digital scoreboard
- Lubricates model airplane linkages
- Protects kite line
- Lubricates joints of artist's easel
- Keeps moisture and corrosion from building on the control cables of model airplanes
- Lubricates craft punches
- Lubricates axles on miniature racing cars
- Spray on foosball (table football) game parts for easy assembly
- Keeps the throttle cable on model airplanes working smoothly
- Aids attachment of spars to sail of kites
- Lubricates go-cart gears
- Prevents rust on tripods
- Lubricates gears on RC cars
- Lubricates and improves electrical contacts on model train tracks
- Lubricates vinyl records to prevent skipping
- Coat collectible metal toys before storing to prevent tarnishing and corrosion

List of 2,000 uses

- Cleans airbrushes
- Cleans electrical contacts on slot racing cars
- Helps remove turntable plates from phonograph record player
- Lubricates hinge on beer stein
- Lubricates stuck parts on vintage 8 mm film projectors
- Lubricates crank motors on antique mechanical phonographs
- Keeps clay from sticking to moulds during crafting
- Keeps flight controls for model aircraft in working order
- Lubricates landing gear on model airplanes
- Prevents detail from sticking to cast material in resin-kit model production
- Cleans ostrich eggs for craft use
- Lubricates needles on knitting machine
- Lubricates wheels of homemade monorail systems
- Keeps curling iron from sticking to plastic crafts
- Lubricates sewing machine handle
- Lubricates straight pins for easier sewing of heavy fabric (denim)
- Loosens jammed on lids of artist's paint
- Spray on poster board and let dry to provides interesting texture/base for art
- Lubricates kiln lid hinges
- Rehydrates paintbrush bristles
- Cleans model T Jacks
- Keeps telescope swivel moving freely
- Stops knitting machines from binding
- Lubricates and protects antique weapons for historical reenactments
- Lubricates rusty pogo sticks
- Prevents rust and cleans Katana swords
- Lubricates spinning wheels

## MUSICAL INSTRUMENTS

- Lubricates piano leg casters
- Removes stickers from piano keys
- Lubricates swiveling piano stool
- Lubricates piano lid hinges
- Helps lubricate fretboard on guitars
- Makes rusty piano strings pliable again
- Quiets squeaky piano pedals
- Unsticks piano keys
- Lubricates piano hammer action in pianos
- Lubricates piano bench hinges
- Cleans piano keys
- Cleans synthesizer keys
- Frees up stuck keys on organ
- Lubricates lugs on snare drums and snare levers
- Cleans exterior of drums
- Lubricates bass drum and high hat pedals
- Cleans and protects kettle drums
- Lubricates bass drum stands
- Shines maracas
- Lubricates "fine tuner" screw on stringed instruments
- Lubricates amplifier knobs
- Cleans guitar strings
- Removes stickers from guitar cases
- Cleans nickel hardware on guitars
- Lubricates tuning gears on guitars
- Cleans potentiometers on guitar amplifier
- Lubricates guitar case latches
- Coat electric guitar pickups to prevent rusting
- Cleans and protects chrome on bass guitars
- Lubricates end pins on cellos
- Lubricates latches on saxophone case
- Loosens end joints on flute
- Cleans piston valves on horns and tubas
- Unsticks keys on baritone horns
- Soak clarinet joints to loosen pins for easy disassembly
- Lubricates flute joints and screws
- Lubricates rotors on French horns
- Lubricates wheels on tuba case
- Lubricates tuba valves
- Frees stuck slides on brass instruments
- Lubricates cornet valves
- Eases removal of solidified spitballs
- Lubricates valves on peck horns
- Protects metal bars on glockenspiels
- Cleans microphone cables after rental
- Cleans music racks

## ANTIQUES & COLLECTIBLES

- Helps restore antique coffee grinder
- Lubricates connectors on antique stove for easy assembly
- Lubricates gears on old phonographs
- Removes rust from and protects antique irons
- Cleans and lubricates bells on antique sleighs

- Cleans and protects antique beer cans from rust
- Lubricates antique oil can levers
- Cleans and protects collectible cans
- Cleans antique guns
- Cleans dried oil from antique oil can

- Lubricates antique waffle iron
- Lubricates hinges on antique smoking stand
- Refurbishes antique fishing lures

## 5. AT WORK

### TRADE & CONSTRUCTION

- Loosens chainsaw triggers
- Cleans resin encrusted table saw blades
- Removes pine pitch from table saw blades
- Lubricates rollers on radial arm saw
- Lubricates table saw castors
- Use as pen polish on lathe-turned wooden pens
- Lubricates chopsaws
- Penetrates and frees up stuck packing glands on water valves
- Lubricates vice handles
- Softens rubber O-ring
- Cleans Plexiglas
- Lubricates lift cables
- Lubricates lead snippers
- Protects bandsaw bearings
- Prevents corrosion on connectors used to install TV aerials and satellite dishes
- Cleans engraving machines
- Spray on hands before using heavy adhesives to prevent sticking
- Cleans and shines magnetic tape
- Cleans and protects manicuring implements at beauty shop
- Keeps construction lifts clean from stucco job
- Cleans and protects control panel boards
- Lubricates sliding power saw guides
- Cleans welding dust
- Removes tar from hands
- Cleans lock cylinder pins and plugs when re-keying lock
- Provides protective coating for Teflon heating strips
- Spray on electrical panel boxes to drive out moisture
- Prevents rust on jewellery forging blocks
- Keeps taping knives from rusting
- Lubricates hinge swivels on exhaust fans
- Protects drywall tools
- Spray chalk lines drawn on asphalt to keep them from washing away in the rain
- Prevents moisture damage on cable TV field strength metres
- Drives moisture from seismic cable connectors
- Helps maintain waterproof seal in telephone splice cases
- Displaces moisture from electrical conduits
- Waterproofs chimney cleaning tools
- Use as a tapping lubricant
- Lubricates swivels on 35-ton grove crane
- Lubricates vending machine locks
- Loosens screws in watch straps to enable link removal
- Lubricates bulk loading putty gun
- Frees up extendable paint roller poles that get clogged with paint
- Lubricates sticky brakes on a Genie lift
- Lubricates power actuated guns
- Lubricates airless paint guns
- Lubricates bearings of radar antenna on lobster boats

- Frees up rusted circulator bolts on hot water heating systems
- Loosens knobs on adjustable drafting table
- Loosens interior plumbing device that controls bath drain plug
- Quiets noisy turbine ventilators
- Lubricates hydraulic barber chairs
- Prevents rust on floor sanding machines
- Protects hand trowels from corrosion
- Lubricates wood shapers
- Helps remove skid marks from cement
- Cleans roofing tar off circular saw blades
- Lubricates mixer gears

- Lubricates stuck vending machine knobs
- Spray rubber gasket for easy installation of window glass
- Protects plumbing "runner" ropes from being burned by molten lead
- Drives moisture from telephone wire connections in network interface box
- Spray pegs in peg board for easy adjustment
- Lubricate guide rollers on digger derrick
- Lubricates lock cylinders on electrical cabinets
- Lubricates track adjusting screws
- Quiets squeaky roof ventilator hinges
- Lubricates lock cylinders during repair
- Lubricates lock shafts to check for bad bearings
- Eases removal of concrete grout from test cubes used in construction
- Hides scratches on metal lift doors
- Spray copper wire before applying rubber insulation with glue to allow lines to slide easier
- Contractors use bottom of can to draw perfect circles while in the field. Use cap for smaller circles
- Removes glue from copper foil during stained glass production
- Cleans concrete from shovels
- Helps detect cracks in welds
- Helps seal gaskets
- Helps provide dust-free surface when roofing
- Prevents rust on oyster knife
- Removes tar and asphalt from soles of shoes
- Lubricates shifting links on bulldozers
- Cleans dirty power cords
- Gives a great shine to flat surfaces for stock photography
- Spray electronic TV circuit boards to prevent oxidation before installation
- Cleans vending machine motors
- Cleans mechanical hoist gears
- Removes roofing tar from shoes
- Shines anvils
- Helps hone cylinder walls
- Removes roof mastics from tools
- Cleans PVC valves
- Cleans interiors of soda machines
- Helps clean oxidation from bronze gravestones
- Penetrates and loosens screws on furniture clamps
- Protects archaeological tools
- Drives out hard to remove debris from rock samples
- Cleans bottom of coil on metal detector

### INDUSTRY & MANUFACTURING

- Frees stuck motor shafts
- Prevents rust on testing bars
- Loosens rusted blower motor from blower wheel
- Loosens threaded joint on water pumps
- Lubricates turnbuckles
- Lubricates pressure hose on gold dredge
- Lubricates pressure hose on silver dredge
- Reconditions old mining tools hauled in from desert gold mines
- Coat drill press spindle for rust protection
- Lubricates roof ventilation turbines
- Drives moisture away from push buttons that can become oxidized
- Removes Cosmeline coatings from milling machines and other shop tools
- Spray on hole diggers to make dirt slide off easier
- Spray on swing blade for smoother cutting
- Lubricates slide for box cutter
- Cleans heavy lube from ball gears on Drag line
- Cleans bed of metal lathe
- Lubricates oil fan motors on furnaces
- Protects drives on wire welders
- Stops squeaks on and protects metal can crusher
- Loosens gummy residue from carbide tipped blades
- Cleans valves on compressors
- Separates lamination of plastics
- Protects powder coated metal
- Protects steel doctor blades on flexographic printing presses
- Cleans rust on conveyors
- Helps protect sluice boxes
- Cleans and protects the plates of injection moulding machines on windshield washer nozzles
- Cleans gunk and compressor oil off pistons in solenoids
- Improves cutting time for drill bits
- Prevents corrosion of underwater connectors on Remote Operated Vehicle (ROV)
- Coat transmission gears after etching to prevent rust
- Cleans blades on box cutters
- Coolant and polishing agent in a grinding operation
- Prevents corrosion on console panel switches
- Cleans and protects blower fans
- Cleans and protects gauges

List of 2,000 uses

- Cleans and protects heavy-duty cutting heads
- Cleans and protects reamers
- Cleans sealing equipment in GM assembly plant
- Cleans and protects moving parts of old printing presses
- Drives moisture out of electric generators
- Drives moisture from precision tools
- Drives moisture from heavy-duty drills
- Lubricates router collets
- Lubricates large mixing bowls in commercial mixers
- Frees stuck conveyor belt rollers
- Lubricates micrometers on precision tools
- Lubricates paper cutter blades
- Loosens pulleys on cable-operated bulldozers
- Lubricates gear trains on servo motors
- Loosens tooling on tablet making machine
- Lubricates handle of heavy-duty ingredient mixers
- Lubricates gripper bar on printing presses to allow sheets to release properly
- Cleans and protects areas affected by bi-metal conditions and disassembly of machinery
- Lubricates metal before running through a roll-former
- Lubricates swing arm lamps
- Use as cutting fluid when drilling copper
- Relieves squeaks on crystallographic grease machine
- Lubricates fibre optic cable when routing through narrow ducts
- Lubricates rollers on copper tubing cutter
- Conditions synthetic rubber to make slicing easier
- Lubricates chain-link conveyor belt in pizza ovens
- Lubricate hose bars for easy insertion into new synthetic rubber hoses
- Lubricates landscaping spikes to make it easier to drive into landscape timbers
- Lubricates chain on scrubber machines
- Lubricates sliding rollers on diamond blade tile saw
- Lubricates O-rings when rebuilding oil pumps
- Lubricates swivel on overhead monitor arms
- Lubricates legs on HETs (Heavy Equipment Transporter) for easy sliding
- Lubricates hacksaw blades for cutting metal
- Lubricates control pulleys
- Lubricates heavy-duty machine screws
- Lubricates O-rings prior to assembly
- Lubricates during lathe turning operations
- Lubricates precision grinding saws
- Lubricates pneumatic cylinders
- Lubricates pneumatic clutch
- Lubricates pneumatic starters
- Lubricates head stops on litho presses
- Lubricates side guides on litho presses
- Lubricates rolodex bearings
- Keeps lock down plate clean on oil wells
- Lubricates aluminium extrusion when cutting for length
- Lubricates automatic envelope making machine
- Removes ink from rollers in printing press
- Works well for dissolving thread lock compound
- Spray on seat coverings when fitting seat frames for easy application
- Cleans and shines the exterior of stainless steel frozen yogurt machines
- Makes Tygon flexible tubing fit over glass tubing with approximately the same diameter
- Loosens tight propane tank handles
- Cleans resin from water pipes
- Lubricates grinder bit on stained glass grinder
- Spray on glass bottles before drilling holes (to make lamps)
- Lubricates diamond cutting wheel on glass cutter
- Protects electric pump on furnace
- Removes squeaks from humidifier unit attached to furnace
- Cleans reusable air filter elements
- Cleans grease from rubber hoses
- Cleans furnace nozzle

## AGRICULTURE

- Loosens valve bolts on tiller units
- Helps dissolve rust from hog equipment
- Lubricates pull starter on generator
- Lubricates joints on stock panels
- Protects barrels and metal containers against rust and corrosion
- Lubricates and protects bucksaw blades
- Lubricates log splitters
- Reconditions brass tips on crop field sprayer nozzles
- Cleans hydraulic tips on quick connectors on tractors
- Lubricates foot feeder on tractor
- Prevents rust on chipper/shredder rollers
- Cleans milking machine pulsator
- Helps keep paint on farm machinery shiny and free from cracks

- Drives gunk from bearings seized by fertilizer
- Lubricates tractor shredders
- Loosens drive chains on hay balers
- Penetrates stuck bolts on cultivator shovels
- Lubricates steering linkages on tractor
- Lubricates barn door runners
- Lubricates worm gears in chicken house on poultry farm
- Lubricates tractor throttle cables
- Lubricates moveable parts of snow plough harnesses
- Unsticks electric sheep shears
- Lubricates gears on earth-moving caterpillar tractor
- Removes adhesive from the tails of show calves
- Lubricates barn door locks
- Helps dissolve rust from corn sheller
- Helps dissolve rust from apple bagging machines

## WAREHOUSING

- Cleans and protects forklifts from rust
- Lubricates nails to ease disassembly of pallets
- Cleans and protects wire mesh black bay boxes
- Protects motors coupled to pumps to prevent faulty packing glands
- Cleans and protects cargo release systems
- Cleans Thermo King refrigeration units
- Cleans and protects forklift brake hardware
- Lubricates cargo straps on semi trucks
- Lubricates lift arms on fork lifts
- Removes gunk from cooler doors
- Helps dissolve rust from fork lift parts
- Lubricates wheels of pallet jack
- Removes rust from stainless steel vault doors
- Spray tie down ropes prior to securing load to keep them from scratching truck paint
- Lubricates rooftop evaporative coolers
- Lubricates hinges on plastic coolers

## PROTECTIVE CLOTHING

- Cleans gunk from safety glasses/goggles
- Removes asphalt from overshoes
- Cleans salt-impregnated ice from the soles of work boots
- Cleans shoe repair equipment
- Removes duct tape residue from work boots
- Stop squeaks caused by new leather work boots
- Removes gunk from lace hoops on work boots
- Helps hide scratches on plastic safety goggles
- Spray in rubber over-boots to make putting them on easier
- Softens and dissolves dried manure from work boots
- Removes rubber cement from clothing
- Restores transparency of plastic shoes

## PUBLIC SERVICES

- Protects metal water meters from rust and corrosion
- Cleans stickers off postal mail sorting equipment belt rollers
- Cleans and protects sewer cleaning cables
- Frees up hot tar pipes
- Removes crater grease from rail lines
- Protects vintage steam equipment on paddlewheel steam boats
- Prevents surface rust on stainless steel laundry coin boxes
- Keeps prison cell doors from squeaking
- Lubricates arm of post-office letter sorter
- Lubricates squeaky fare box levers on city buses
- Lubricates boxcar doors on rail cars
- Lubricates draw heads on railway carriages
- Lubricates flapper in vent shield on gas meter
- Lubricates antenna parts on tall broadcast towers
- Loosens rusted bolts on radio aerial clamps
- Loosens stuck locks on parking meters
- Helps remove rust from pistons of steam engine
- Stops squeaks on metal library book carts
- Stops squeaks on swinging address/street signs
- Spray on sewer vent cover to keep it from freezing shut
- Protects and maintains armour suits
- Removes spray paint from reflectorized street markers
- Cleans gum from parking meter coin slot
- Lubricates sliding doors on passenger trains

## HEALTHCARE

- Lubricates casters on Rubbermaid utility carts
- Coat dental instruments before putting in autoclave to prevent excessive oxidation
- Cleans pushbutton switches on hand controls for patients' hospital beds
- Cleans tape and glue left from microscope stand and equipment
- Lubricates inside of orthopaedic shoes for easy removal of cast/mould
- Removes transparent tape from x-ray machines
- Cleans bed pans

- Lubricates cogs on rollers of x-ray film processing machine
- Lubricates Mayo stands for smooth up and down movement during surgery
- Lubricates curtain tracks in hospital rooms
- Lubricates gurneys
- Keeps knobs on heart monitor defibrillators clean
- Lubricates battery handles on laryngoscopes
- Loosens frozen infuser pumps from poles in hospitals
- Lubricates hanging IV pole stand wheels
- Removes squeak from dental chairs
- Lubricates hospital sterilizer doors
- Stops the squeaky noise from x-ray film cartridges
- Lubricates power injecting device strung from the ceiling in Cardiac Catheterization Lab
- Lubricates bone joints of skeletons in laboratories
- Stops squeaks on gears of hydraulic chairs
- Removes surgical tape from hospital bed rails
- Increases life of high-speed dental hand pieces
- Spray on rag and wipe exterior to help clean CPR mannequins
- Lubricates stethoscopes
- Stops squeaks on walking casts
- Looses up the crank on old hospital stretchers

## EMERGENCY SERVICES

- Lubricates chalk guns
- Helps remove reflector tape from life jackets
- Lubricates gears on light bars on police cars to keep lights spinning freely
- Stops squeaks on add-ons to police gun belt
- Removes evidence tape glue from evidence tape after evidence has been processed
- Cleans and protects handcuffs
- Protects rhinos (a digging tool for fighting forest fires) from rust
- Lubricates valves on fire engines

## ARMED FORCES

- Stops squeaks on web gear (listol belt) during army manoeuvres
- Protects bayonets from rust while stored in sheaths
- Removes boot marks from deck of navy boat
- PMCS (Preventative Maintenance Checks and Service) of military issued weapons like the M16A2 rifle
- Cleans and protects fighter jet compressor blades
- Cleans and protects radar gear
- Cleans and protects Automatic weapons
- Cleans and protects tracks on tracked vehicles
- Cleans and protects gun carriages
- Cleans and protects gun linkages
- Drives moisture from helicopter quadrants
- Drives moisture from radar gear
- Drives moisture from spark plugs on tanks
- Prevents rust on guns used in the field
- Prevents rust on portable electric equipment
- Prevents corrosion on field weapons
- Prevents rust on seam areas on wings
- Prevents corrosion on radar gear
- Cleans and protects bayonets
- Lubricates hinge bearings on ships
- Lubricates wheel housings on ships
- Lubricates tank ignition system
- Lubricates precision gun fittings
- Lubricates recline hydro locks in seats
- Lubricates recline hydro locks in pilot seat tracks
- Lubricates jet engines to ease overhaul and disassembly
- Removes hydraulic fluid from Lear jets
- Cleans and protects ammunition cans
- Keeps missile silo doors swinging freely
- Shines atlas missiles
- Lubricates primacord and the port plugs on perforating guns
- Lubricates gyro compasses
- Cleans ballast oil off tile floors
- Cleans and protects on-board machine and hand tools
- Cleans and protects porthole dogs
- Loosens rusted monkey fists on boat
- Prevents rust on ship seam areas
- Loosens rusted screws on board ships
- Lubricates spool valve handles on boat hydraulic systems
- Protects and lubricates floating boat docks after thawing
- Lubricates galley latches

## OFFICE

- Renews dried-up ink on adding machine ink rollers
- Lubricates adjusting mechanisms on office chairs
- Cleans overhead projectors

List of 2,000 uses

- Lubricates gears on paper shredder
- Cleans and lubricates commercial coin rollers/counters
- Removes tape marks from dry erase boards
- Remove tape from office furniture
- Lubricates transcription machines
- Removes ink from hands
- Removes permanent marker from dry erase boards
- Filters dust when sprayed on AC filter
- Cleans printer toner from unwanted places
- Penetrates levers on office chair for easy adjustments
- Lubricates overhead projector trolley wheels
- Lubricates rings on ring binders
- Lubricates stuck screws on overhead projectors
- Lubricates computer trolley wheels
- Stops squeak of calculator tape register
- Lubricates tilt mechanism on swivel chair
- Frees up mechanisms in ergo chairs
- Lubricates date stamps
- Lubricates sticky mechanisms on old typewriters
- Lubricates and protects electric stapler
- Lubricates filing cabinets
- Loosens stuck buttons on calculators
- Loosens rusty hinges on office trolleys
- Lubricates spring-loaded office chairs
- Keeps office chair wheels rolling smoothly
- Stops squeaks on papercutters
- Use on chair fittings to reduce noise
- Lubricates crank mechanism on pencil sharpener
- Lubricates hole punches
- Stops squeak on tape dispenser
- Lubricates fan in motor on window A/C
- Eases removal of old ID stickers from computer cases
- Lubricates desk locks
- Cleans plastic desk protectors
- Reconditions rollers in fax machines
- Lubricates adjustment knob on overhead projector
- Keeps track-ball mice moving smoothly
- Lubricates ball bearings in chairs
- Lubricates mechanical pens and pencils

#### RETAIL

- Cleans gunk from pricing guns
- Lubricates tills on cash registers
- Lubricates locking mechanisms on video drop slots
- Lubricates spinning magazine racks
- Cleans and lubricates the trigger of petrol pumps
- Lubricates rotating coffee shop chairs
- Stops squeaks on shopping trolley wheels
- Lubricates cash drawer locks
- Lubricates rollers on metal cash register drawers
- Lubricates interchangeable numbers on gas station price placards
- Lubricates sticky wheels on shopping trolleys

#### ENTERTAINMENT

- Shines vinyl on jukeboxes
- Lubricates drive system of pound note changers
- Lubricates C Clamps on stage lighting instruments

- Stops squeaks on stilts
- Lubricates shaft of slot machine coin receiver
- Lubricates pinball machine flippers
- Lubricates vintage jukebox mechanisms
- Lubricates and cleans tension idlers on theatre rigging system
- Lubricates locks on money boxes on gaming tables
- Loosens joints of costume
- Cleans and protects outdoor popcorn stands
- Lubricates pin-setters in bowling alleys

#### OTHER

##### CHRISTMAS

- Cleans rust off Santa's sleigh runners
- Cleans stains from Christmas tree holders
- Helps remove stuck decorations at Christmas time
- Keeps Christmas tree stand from rusting
- Keeps snow from sticking to patio door
- Lubricates limbs of artificial Christmas trees
- Lubricates mechanical Christmas reindeer
- Lubricates movable parts on Christmas presents
- Lubricates screws in Christmas tree holder
- Preventative maintenance on Christmas decorations before storage
- Removes artificial snow from windows after holiday season

##### DISABILITY EQUIPMENT

- Drives moisture from hearing aids and cleans battery compartment
- Helps remove stuck prosthetic leg
- Lubricates and cleans prosthetic arms
- Lubricates and stops squeaks in handle of adjustable cane
- Lubricates handicap lift on minivan
- Lubricates foot pedals on wheelchairs
- Lubricates lift chairs on vehicles
- Lubricates swinging leg rests on wheelchairs
- Lubricates wheelchair gears
- Lubricates brake levers on wheelchairs
- Lubricates wheelchair bearings
- Lubricates wheelchair axles
- Lubricates volume control on hearing aids
- Removes rust from shower chair wheels
- Stops crutches from squeaking
- Lubricates ankle braces
- Lubricates leg brace hinges
- Lubricates scooter lift

##### GENERAL

- Helps remove flood water marks from cedar panelling
- Lubricates pulley on sump pump
- Removes floodwater marks on panelling
- Dissolves glues
- Lubricates flagpole pulleys
- Lubricates rubber wheels
- Removes bees wax
- Removes duct tape
- Removes gaff tape
- Removes gum from flagpoles

- Loosens stuck pocket knife blades
- Helps to open lock boxes on home that have swollen from the heat
- Cleans gunk from phone buttons
- Removes ink from carpet
- Shines steel
- Stops squeaks on noisy temperature control knobs
- Eases twisting of wire
- Helps clean metal surfaces
- Removes tar from feet
- Eliminates squeak from locks
- Lubricates runners of screens
- Lubricates squeaky weathervanes
- Lubricates wheels of rolling book bags
- Protects most vinyl surfaces
- Lubricates rusted fasteners
- Removes rust from old keys
- Cleans and protects cables and connectors
- Cleans and protects CB radio aerials
- Cleans and protects safe deposit boxes
- Cleans gum from turtle shells
  - Cleans lacquer off bronze hardware fittings
- Cleans lake sludge from fibreglass
- Cleans marks from rubber surfaces
- Cleans reflectors on fluorescent lights
- Drives moisture from aerial connectors
- Drives out moisture from flashlights
- Frees stuck lock on lock boxes
- Keeps jack from sticking on c-band satellite systems
- Keeps metal wire screens rust free
- Loosens strapping tape after a hurricane
- Lubricates adjuster button on canes
- Serves as cutting oil
- Lubricates bi-fold door locks
- Lubricates flashlight battery compartment to ease removal of stuck batteries
- Lubricates flashlight switches
- Lubricates gumball machine mechanisms
- Lubricates lift shaft of sump pumps
- Lubricates mouse trap machinery
- Lubricates robot joints
- Lubricates rubber part of sandals for easy repair (putting plastic back into designated hole)
- Lubricates slide locks
- Lubricates stuck bolts on diving boards
- Lubricates well crank handle
- Lubricates windsock swivels
- Protects and polishes bronze gravestones
- Protects HAM radio antennas from moisture
- Removes streaks and marks from new slate while polishing
- Spray in old radio speaker coil to stop rattling noise
- Spray lightly over stagnant water to keep mosquito eggs from hatching
- Spray locking rods of portable fire proof safes to keep them operating freely
