RE: Declaration of Civil Preparedness Emergency

Dear Secretary Merrill:

As a result of the severe weather conditions predicted to affect the State, specifically the National Weather Service/National Hurricane Center issuance of forecasts indicating that all or part of Connecticut is currently under a hurricane watch and faces potential rainfall, strong winds, and coastal and inland flooding over a potentially prolonged period of time, I hereby proclaim, pursuant to Section 28-9 of the Connecticut General Statutes, that a state of civil preparedness emergency exists.

I am filing this proclamation with you under my hand and seal on this 21st day of August, 2021.

A handwritten signature in blue ink that reads "Ned Lamont".
