

## San Francisco County

AlertSF -Text-based Notification system for SF City residents and visitors. Sends alerts regarding traffic emergencies, tsunami watches and warnings, flooding and city wide-post disaster information. Registrants can also sign up to receive English-language automated alerts for specific areas of the city.

How to sign up: Text "AlertSF" to 888-777 or visit: [www.alertsf.org](http://www.alertsf.org)

## Alameda County

ACAlert - Sends alerts via phone, text and e-mail regarding emergencies (earthquakes, fires, severe weather, unexpected road closures, missing people and evacuations) and other important community information. Partnership between Alameda County agencies and 14 cities (Alameda, Albany, Berkeley, Dublin, Emeryville, Fremont, Hayward, Livermore, Newark, Oakland, Piedmont, Pleasanton, San Leandro and Union City).

How to sign up: Visit [this link](#).

## Contra Costa County

Community Warning System (CWS Alerts): Sends voice, text and e-mail alerts in English and Spanish. A partnership between sheriff's department, health services and other government agencies striving to deliver "time sensitive and potentially live-saving information."

How to sign up: Visit [this link](#).

## Marin County

AlertMarin: Sends voice, text and e-mail alerts. Residents can also get alerts from the County of Marin smartphone app. Alerts contain incident-specific information or life-saving instructions to precise geographic areas. Emergency situations include: flooding, wildfires, public safety incidents, evacuations and post-disaster information including shelters, transportation and supplies.

How to sign up: Visit: [this link](#).

## Sonoma County

SoCoAlert: Sends voice, text, e-mail and social media alerts regarding time-sensitive geographically specific emergencies. These include evacuation

notifications, shelter-in-place, boil water advisories, tsunami and flood warnings.

How to sign up: Call (707) 565-1369 or (866) 939-0911. Or visit [this link](#).

### San Mateo County

SMC Alert: Sends voice, text and email alerts during urgent or emergency situations. You can elect to receive emergency and non-emergency alerts. Sent out by local police, fire and emergency managers from several cities with San Mateo County. Types of alerts sent out include: evacuation alerts and routes, crime alerts, major road closures, wildlife warnings (like mountain lion sightings) and nearest emergency shelters.
