## OUR MISSION

**O**UR LADY OF VICTORY SCHOOL'S Traditional Catholic homeschool program fosters a collaborative effort towards spiritual and intellectual growth by the anchoring light of Tradition. We endeavor to provide home school parents the attentive and individualized academic support they need in order to pursue confidently and lovingly the mission entrusted to them by the Church: their children's salvation.

## OUR PHILOSOPHY

Our Lady of Victory School provides parents a traditional school-at-home curriculum and the attentive, individualized support to empower parents in educating their children for Heaven.

Because the Catholic Church has always taught that parents are the primary educators of their children, our curriculum is designed to guide parents in taking charge of their children's education. Our program expects that parents themselves will take on the main responsibilities of educating their children from day to day. No other agency or tool, no matter how fashionable or attractive, can replace the loving care of a parent although these can assist the parents in their work. Parents will teach, monitor, and grade their children's progress while Our Lady of Victory provides additional peace of mind through the oversight, accountability, and support guaranteed by its accreditation, its academic counseling, and its official academic record maintenance.

The Catholic faith permeates our entire curriculum. At the heart of our curriculum are our religion texts, which were all published before

1960 and used in Catholic parochial schools. We exclusively promote the Traditional Latin Mass, the ancient rites of the Sacraments, a love of the Saints and Holy Mother the Church, as well as traditional devotions, such as the Sacred Heart and the Rosary in its original 15-decade form.

In addition to religion, our program develops in children the traditional educational skills of reading, writing, and arithmetic. These fundamental skills go back to classical antiquity and were even mentioned by St. Augustine in his *Confessions* as part of his own childhood education. We believe these skills involve those foundational virtues that perfect the ability of the mind in understanding, reasoning, and expressing itself.

## ACCREDITATION

Our school has been accredited by the National Association of Private Catholic and Independent Schools (NAPCIS) since July 17, 2007. NAPCIS reviewed and approved our entire curriculum without any changes, modifications, or exceptions to our course of studies. Our accreditation was most recently renewed in 2021.

*Without confidence and love,  
there can be no true education.*

St. John Bosco

Report cards	✓			
Diplomas (8 <sup>th</sup> & 12 <sup>th</sup> grades)	✓			
Official transcripts	✓	✓		
Academic record maintenance	✓	✓		
Flexible	✓		✓	✓

## Full Enrollment Program

The Full Enrollment Program is perfect for families who want accountability in their education journey and the reassurance of knowing that their children's official records are being maintained. We highly recommend Full Enrollment for high school students, especially for reasons of college enrollment and future employment opportunities.

Grading is completed by both the parent and the OLVS tutor as indicated on the lesson plans. Selections of the student's work are sent to the school where it is reviewed by the tutor who keeps the student's records and issues quarterly progress reports and a final report card. When the parent is required to grade an assignment, the grade must be recorded on the lesson plan, but you may still need to submit it for tutor review.

You may contact the school office with any questions regarding the books and curriculum. Enrolled students can also receive academic support through the school office, connect with their tutor, and receive personalized feedback on their assignments.

**Calendar:** The school year is thirty-six (36) weeks and usually begins in late August or early September. You will receive a copy of a suggested school calendar with your shipment of textbooks and lesson plans. If you withdraw your child from another school during the school year, you are welcome to start home schooling with us at any time. You may also continue

your school year into the summer months.

**Graduation:** We host annual commencement exercises in North Idaho and invite all 8<sup>th</sup> and 12<sup>th</sup> grade graduates to attend.

## Tuition and Fees

### Registration

New student	\$25 per student
Returning student	\$10 per student
International student (new and returning)	\$25 per student

### Full Enrollment Tuition

Full Enrollment tuition includes the cost of Lesson Plans.

Kindergarten - 6 <sup>th</sup> Grade	\$350 per student
7 <sup>th</sup> - 12 <sup>th</sup> Grade	\$400 per student

Enrolling more than one student? **Receive 10% off tuition for each additional student!**

**These prices do not include the cost of textbooks**, which range from \$150-\$500. All books are yours to keep!

We prefer that all costs be paid in advance. However, we also realize that the financial outlay may be a hardship for growing families. In such cases, we can arrange a monthly payment plan for tuition, but we still require payment for books, registration, 1<sup>st</sup> month tuition, and shipping at the time of enrollment.

For more information specifically on our high school curriculum, graduation requirements, and electives offerings, please see pages 28-36.

# Our Lady of Victory

## Single Course Enrollment Program

This option is available for religion, grades K–12<sup>th</sup>, and all subjects, 7<sup>th</sup>–12<sup>th</sup>. Many students will enroll in a single course to make up high school credits. Grading and student work submission follow the same guidelines as full enrollment.

### Tuition and Fees

#### Registration

New student	\$25 per student
International student	\$25 per student

#### Single Course Enrollment Tuition

Single Course tuition includes the cost of Lesson Plans.

Kindergarten – 6 <sup>th</sup> Grade	\$75 per course + registration
7 <sup>th</sup> – 12 <sup>th</sup> Grade, Full Year	\$125 per course + registration
7 <sup>th</sup> – 12 <sup>th</sup> Grade, One Semester	\$100 per course + registration

## Independent Study Program

Independent Study is ideal for families who want to use OLVS curriculum but are looking for a more flexible and cost-efficient option. This option includes purchasing the lesson plans and quarter tests (required books are sold separately) and allowing the parents to use and tailor our lesson plans according to their family’s needs. However, this option does not include the academic counseling or grading services OLVS provides for fully enrolled students. Parents will be responsible for correcting all assignments, issuing all grades, and maintaining all records. Since no transcripts will be available from OLVS with this option, we strongly discourage the Independent Study Program for students in high school.

In the past we have been asked to accept a high school student who has been using our Independent Study Program but has not been fully enrolled. In such a case, we have no method to assess precisely that the student has studied and passed the various tests at our standards. Therefore, if your high school student

### Lesson Plan Pricing

#### Independent Study

Complete Grade-Level Lesson Plans	\$100 per student
Single Subject, Kindergarten – 6 <sup>th</sup>	\$20 per subject
Single Subject, 7 <sup>th</sup> – 12 <sup>th</sup>	\$30 per subject

does not have official transcripts from another high school program, your student will not be able to receive a diploma from OLVS. Please call us for any further clarification.

## Books Only

We stock over 600 educational titles to enable you to pick and choose whatever books you might need. You are not required to be part of our program to buy books from us.

## COLLEGE ACCEPTANCE

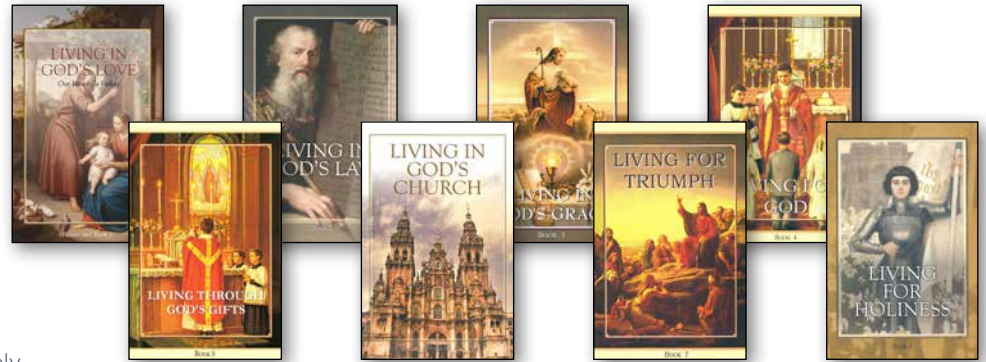

We have seen many of our graduates pursue a college education. The following are some colleges and universities which have accepted our graduates:

- Ave Maria University
- Benedictine College
- Boise State University
- Carnegie Mellon University
- Christendom College
- Cleveland Art Institute
- Eastern Washington University
- Hillsdale College
- Loyola University of New Orleans
- Mary Hardin-Baylor University
- Michigan State University
- Oberlin Conservatory of Music
- Penn State Erie, The Behrend College
- Spring Hill College
- St. John’s University
- St. Mary’s University
- St. Regis University
- Stony Brook University
- SUNY Cortland
- SUNY New Paltz
- Texas A&M
- The Citadel
- The United States Air Force Academy
- The University of Southern Mississippi Gulf Coast
- The University of St. Thomas
- University of Colorado
- University of Dallas
- Wyoming Catholic College
- ... and many more!

# Our Religion Curriculum

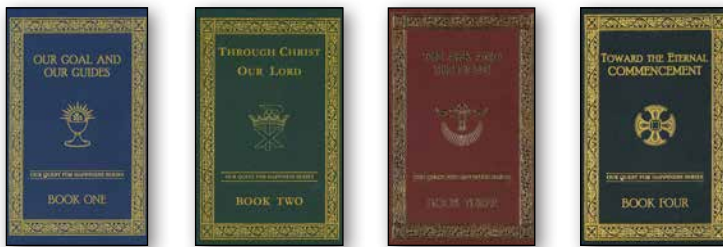

The most distinguishing feature of Our Lady of Victory School is our religion program. Our religion curriculum provides a solid and trustworthy foundation in the Traditional Catholic Faith. For elementary and middle school, we use the *Living My Religion* series, and for high school, the *Our Quest for Happiness* series. Both series are pre-Vatican II and were used in Catholic parochial schools across the United States.

- Grade 1 *Living in God's Love*
- Grade 2 *Living in God's Law*
- Grade 3 *Living in God's Grace*
- Grade 4 *Living for God*
- Grade 5 *Living Through God's Gifts*
- Grade 6 *Living in God's Church*
- Grade 7 *Living for Triumph*
- Grade 8 *Living for Holiness*

**\$24 each**

Answer keys and teacher's manuals sold separately.

- Grade 9 *Our Goal and Our Guides*
- Grade 10 *Through Christ Our Lord*
- Grade 11 *The Ark and the Dove*
- Grade 12 *Toward the Eternal Commencement*

**\$30 each**

Answer keys sold separately.

# Our Lady of Victory

## Planning Your Curriculum

Our Lady of Victory's high school curriculum offers both academic excellence and the flexibility to meet your child's educational goals and interests. However, parents may not be aware of other available options, such as making use of course substitutions through our elective course offerings, co-ops, private tutors, or other accredited programs.

## Graduation Requirements

The graduation requirements are specified only for high school students and necessitate that a student have 22 credits in order to receive a diploma. One credit is given per successfully completed subject: Religion, 4 years; Literature, 4 years; English Grammar, 4 years; Mathematics, 3 years; US History, 1 year; World History, 2 years; Science, 3 years; and Civics, 1 year.

**Exceptions** to these requirements will be made *only* on a case-by-case basis with the approval of the registrar's office and may include those students who transfer into our program after the 9<sup>th</sup> grade.

### Minimum Graduation Requirements

Subjects	Must Include
Theology	4 credits
Mathematics	3 credits
Grammar	4 credits
Literature	4 credits
History	3 credits
Science	3 credits
Civics	1 credit
<b>Total</b>	<b>22 credits</b>

## Educational Goals

One of the benefits of homeschooling is the ability to pursue a student's unique educational goals with greater flexibility than a traditional school model. Therefore, students with particular interests or abilities may pursue a more rigorous or tailored curriculum as outlined in the substitutions section

below. For example, those interested in Latin may supplement their high school curriculum with Henle's Latin.

## Recommended Course of Study

Our recommended course of study is more than sufficient for college admission. It follows a progression in theology, grammar, mathematics, and science that builds upon earlier concepts and mastery. The literature and history for each grade complement each other, opening up the student to the eras studied in a comprehensive and vivid manner.

### Recommended Course of Study

9 <sup>th</sup> Grade	10 <sup>th</sup> Grade	11 <sup>th</sup> Grade	12 <sup>th</sup> Grade*
Theology I	Theology II	Theology III	Theology IV
Algebra I	Algebra II or Geometry	Algebra II or Advanced Math I	Advanced Math I or II*
Grammar & Composition	Essay Writing	Public Speaking	Research Paper
Historical Fiction	American Literature	Modern Literature	British Classics
World History II	US History	Modern History	Civics
Physical Science	Biology	Chemistry	Health Science*
6 credits	6 credits	6 credits	6 credits
<b>Total: 24 credits</b>			

\* Math and Science may be removed to meet the 22-credit requirement.

## Course Substitutions and Electives

Our recommended course of study has enough credits built into it that electives are not required to graduate. However, we urge you to consult with your child's college admissions office in his sophomore year to determine any elective prerequisites.

A comparable elective course may be substituted for one of the six core subjects (*no substitutions for religion*). The elective courses listed on pages 34–36 may all be used to substitute for a comparable course in the student's particular grade level. For example, a grade 10 student may take Geometry in place of Algebra II or the Tolkien literature course in place of American Literature. However, a student may *not*

# High School Curriculum

substitute *Latina Christiana* for Biology.

There is no additional charge for this substitution although the cost for textbooks may vary. However, if the elective is in addition to the six core classes, a fee of \$25.00 will be charged for the lesson plans and \$50.00 for tutoring services in addition to the textbook fees.

## Substitutions

What are they? Substitutions are approved courses that satisfy credit requirements in eligible subjects (see chart below).

Beyond our recommended course of study, take advantage of substitutions to meet your student's unique educational goals and interests!

Where can I find substitute courses?

OR

Courses listed in our **electives section**.

Pages 34-36

**Pre-approved courses** through:

- Co-ops
- Private tutor
- Another accredited program

**Excluded Subjects\***

- Theology
- Grammar
- History
- Civics

Up to two substitutes taken from outside of our electives offerings are permitted, per academic year.

\* These subjects must be completed through OLVS directly and cannot be taken through any other educational venues.

### How to Sign Up for a Substitute

1. Select a course under an **eligible subject** (see chart in the next column).
2. Contact our office for **pre-approval**.
3. Submit **required paperwork** for academic record keeping.

## Eligible Subjects for Substitutions

Subjects		Must Include
Mathematics	3 credits	
Literature	4 credits	
History	3 credits	US History
Science	3 credits	
Public Speaking	1 credit	

## Some Recommendations for Substitutions

### Literature

**Tolkien, Ancient Literature:** For students at any high school grade level.

**Advanced Literature, Catholic Heroes, Epic Literature:** For advanced readers and writers in grades 11 and 12.

### Science

**Physics:** For students in grades 11 or 12, or recommended to be taken after completion of or in conjunction with Advanced Math I.

### Math

**Algebra ½:** For students in grade 9 who are struggling with math.

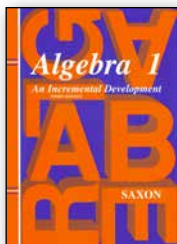

**Consumer Math:** For students in grades 11 or 12 who are not college bound.

If you have any questions about how to take full advantage of our high school curriculum, don't hesitate to contact our office by phone or email!

## Course Substitutions and Electives

A comparable elective course may be substituted for one of the six core subjects (*no substitutions for religion*). The elective courses listed on pages 34–36 may all be used to substitute for a comparable course in the student’s particular grade level. For example, a grade 10 student may take Geometry in place of Algebra II or the Tolkien literature course in place of American Literature. However, a student may *not* substitute *Latina Christiana* for Biology.

For more information on how to make use of course substitutions, please see the full explanation on pages 28–29.

*Thank you for your excellent advice and your encouragement to my daughter ... during her first year as a freshman. I also appreciated your input and direction in regards to her education!*

— Regina G., Mother

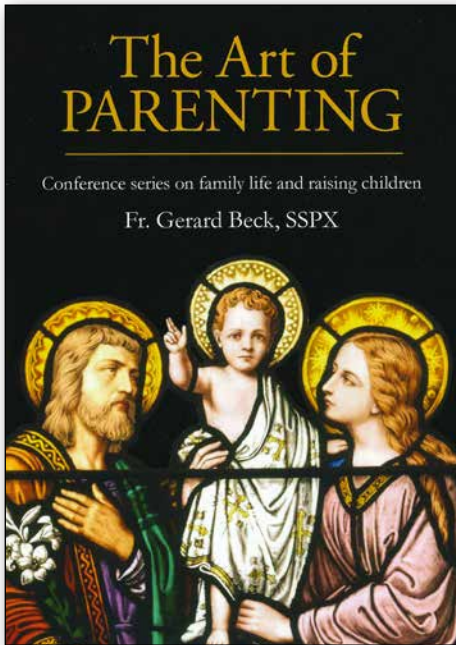

*Thanks to you and the incredible patience and bravery of my mother, I passed my first year of high school.*

— Rose G., Daughter

## Student Privacy Policy

Our Lady of Victory School agrees not to transfer student records without permission of the parent(s) or guardian(s) in accordance with provisions of the Family Educational Rights and Privacy Act of 1974.

Per Our Lady of Victory School policy, if a student has reached the age of 18 and is living independently of his parents, he must submit in writing his request to be solely responsible for his education. In this instance, Our Lady of Victory School will automatically inform the parent(s) of the student's decision.

## Returns and Refunds

**Pricing and Tax** Prices do not include sales tax or shipping charges and are subject to change. For the most current pricing, please visit [www.olvs.org](http://www.olvs.org).

**Return and Refund Policy** All Lesson Plan sales are final. Customers may return books with pre-approval in new condition within 30 days of purchase date. A 10% restocking fee will be charged for returns. Items will also be evaluated upon return to make sure that they can still be sold in new condition. Please package the return items carefully so that they will not be damaged in transit. Otherwise, a restocking fee of up to 50% will be applied. Please do not return the following items as no credit can be given at any time: 1) all CDs and DVDs (unless still in cellophane wrap); 2) all Lesson Plans; 3) books not purchased from Our Lady of Victory.

**Incorrect Orders** Our Lady of Victory School takes its customers' satisfaction seriously. If you receive a book in error, please contact the office immediately. We will make arrangements to retrieve the mistaken book and ship the correct one at no extra cost to you.

**Donating Books** If you no longer need certain books, and would like to donate them for families experiencing financial difficulties, please call the office and ask for the book return department. Customers are responsible for return postage costs.

These terms and conditions are subject to change at any time without prior notice.
