

VoteRiders Ohio Voter ID Coalition Coordinator

OVERVIEW

Founded in April 2012, VoteRiders is the country's leading nonpartisan 501(c)(3) nonprofit that focuses on voter ID education and assistance. We work nationwide with a particular focus on states with voter ID laws and competitive federal elections. In the 2022 election cycle our programs directly reached over 7 million voters. Our on-the-ground programs, partnerships, and digital campaigns raise awareness of voter ID laws, making sure voters know what ID they need to vote in their state and providing completely free ID assistance to voters in need. Our programs identify, educate and help voters with voter ID issues so they can vote with confidence, knowing they cannot be turned away.

As VoteRiders continues to grow in response to the quickly-rising need for our work, we are seeking a highly-motivated Ohio Voter ID Coalition Coordinator to lead VoteRiders' outreach in the state and grow our impact there in the wake of the state's passage of a new voter ID law in January 2023. This individual will work closely with VoteRiders' National Outreach Director, our National Voter ID Assistance Director, and our Chief Executive Officer/Executive Director in planning and executing the Ohio outreach program. The Ohio Voter ID Coalition Coordinator will be the main contact with state-based partners in Ohio, including voter engagement organizations as well as direct service providers that serve communities disproportionately impacted by voter ID laws.

This position, available ASAP, must be based in Ohio, with a preference for candidates based in or willing to relocate to Columbus or Cleveland. The Ohio Voter ID Coalition Coordinator reports to our National Outreach Director.
